3	<p>HUB SUBCONTRACTING PLAN REQUIREMENTS: A HUB Subcontracting Plan (HSP) is required with your bid submittal. Please read the following carefully.</p> <p>It is the policy of the State of Texas and the A&M System to encourage the use of Historically Underutilized Businesses (HUBs) both directly and indirectly in our prime contracts. The goal of the HUB Program is to promote equal access and equal opportunity in TAMUS contracting and purchasing .</p> <p>Based on the scope of this Invitation for Bid, Bidders must determine if they can perform the entire scope with their own resources or if it will be necessary to subcontract any portion of the scope. Subcontracting opportunities are defined as those opportunities contracted with a vendor to provide services, supply commodities, or contribute toward completing work for a governmental entity.</p> <p>Subcontracting opportunities are possible for this Invitation for Bid and therefore a HUB Subcontracting Plan (HSP) is required. Failure to submit a comprehensive, acceptable HSP will be considered a material failure to comply with the requirements of the Invitation for Bid and will result in rejection of the submittal. The HUB Subcontracting Plan shall be submitted with the Invitation for Bid response by the date and time specified.</p> <p>Complete the attached HSP and submit it with the Invitation for Bid response . If there are pre-existing agreements in place with companies who will be hired as subcontractors, the Bidder will show those vendors as subcontractors on the HSP and provide an explanation as to why solicitations were not done , e.g. contractual requirements. If no pre-existing agreements with companies who will be hired as subcontractors exist, then the Bidder will be expected to make a good faith effort according to the HSP instructions . Dont forget to include any backup documentation and sign the HSP form . NOTE REGARDING THE GOOD FAITH EFFORT IF SUBCONTRACTING: IF COMPLETING METHOD B, THE NUMBER OF DAYS REQUIRED TO GIVE POTENTIAL SUBCONTRACTORS TIME TO RESPOND TO YOUR REQUEST HAS BEEN REDUCED TO FIVE (5) DAYS DUE TO THIS RUSH BID.</p> <p>If the Bidder is completing as self-performing a statement which attests that the Bidder shall perform the subcontracting opportunities identified by the agency, with its own employees and resources is required. The sections in the HSP form to be completed for self-performing are Section 1, 2a (check No), 3 with your statement included in the open text field, and 4.</p> <p>For questions or additional information regarding the HUB Subcontracting Plan requirements, please contact Jeff Zimmermann, the A&M System's HUB Program Director at (979) 458-6410 or pallison@tamus.edu for assistance in determining available HUB subcontractors and proper completion of the HSP. Bidders have the opportunity to submit a draft of the HSP prior to submittal of their response to the Invitation for Bid for review by the A &M System HUB Program.</p>	0.00			
4	<p>INSURANCE REQUIREMENTS: See attached Insurance Coverage requirements as the TAMU System requires all vendors performing work on any System member campus to provide proof of the required insurance coverage. Vendor shall provide and maintain required insurance coverage for the duration of this agreement. A copy of insurance certificate shall be sent via email to : pallison@tamus.edu or mailed to The Texas A&M University System, HUB & Procurement Programs, Attn: Patty Allison, 301 Tarrow Street, College Station, TX 77840-7896.</p> <p>AWARD CRITERIA: The TAMU System and FP&C will evaluate and make the award to the bid that is determined to be the best value to the state based on the following criteria: pricing, specifications, delivery and installation requirements, ability to meet completion timeframe, insurance requirements, the extent to which the goods meet our needs; the vendor's past relationship with the TAMU System and other state entities and any other factor the TAMU System deems relevant.</p>	0.00
