Description

The Texas A&M University System, on behalf of the department of Facilities Planning and Construction is seeking bids for the purchase and installation of the specified 3-Axis Router with AC servo system for the Fabrication Center at Prairie View A&M University currently under construction in Prairie View, TX.

Bidders shall offer a one lot price response for each line item per the attached detailed specifications. Enter in the line item the total price as a one lot for all details noted on each specification. Also required is your company detailed itemized quote that supports the one lot price in the line item. Your quote should show all that is requested on the spec sheet. If offering an alternate to the item specified bidder shall provide with bid response detailed literature and spec sheets of item being offered. Failure to include these spec sheets could result in disqualification of your bid response. The TAMU System will determine if any alternate item bid meets the specifications of specified item.

Reference attached bid terms.

Submit all bid questions via email to Patty Allison, pallison@tamus.edu. The bid response due date is no later than 2:00 PM on Wednesday, January 31, 2018. Late bids will not be accepted or considered.

Prerequisites

★ Required to Enter Bid

1 ★ Instructions To Supplier :

Insurance Requirements - Reference attached Insurance Requirements. The TAMU System requires all vendors performing work on any System member campus to provide proof of the required insurance coverage as noted in the bid. Vendor shall provide and maintain required insurance coverage for the duration of this purchase and until item delivered and installed.
