Description

The Texas A&M University System, on behalf of Facilities, Planning & Construction (FPC), is seeking pricing on the housewares, to include delivery and installation, for FPC Project 01-0240 - BOR Annex Renovation in College Station, TX. The current estimated time-frame for delivery and install is August 28-Sept. 1, 2020.

Quote ONLY the Manufacturer/Brand as specified in the attached bid specifications document - FPC-ITB-2383- BOR Housewares Specs. ***** To aid in a prompt bid review, Bidders MUST attach company quote via attachments which details pricing of all items, showing spec item tag numbers and that all product specifications, manufacturer/brand, description, size, color, quantities, etc. have all been bid exactly as requested in the spec sheets. *****

All items in section Group P1, Primary Items, are *expected* to be purchased. The items in sections Group P2 Alternate 1 & Group P3 Alternate 2 are items to be determined once bid is reviewed and upon available funds. Notice that several items in Alternate 1 and Alternate 2 are similar, if any items in these groups are purchased, a selection of the like/similar items will be made. *Pricing offered shall remain firm until items are delivered and installed.*

Bidders shall reference the following attachments:

- Exhibit A - Bid_PO Terms 03062020
- Attachment A - Houseware Furnishings - 01-0240 Board of Regents Annex Renovation - details of delivery terms and install instructions, TAMU System and A/E contacts, location/address of install.
- Insurance Requirements - PO - TAMUS
- FPC-ITB-2383 - BOR Housewares Specs-**REVISED** - Product specifications for each line item.

NOTE: It is the intention to award this bid to a single vendor. Because the primary items are expected to be purchased first, there is a line for dealer services and freight for this section, as well as lines for these costs in the other sections. If all items are not to be purchased, the costs for freight and dealer services *may* need to be adjusted. All bid pricing must be submitted at bid due date.

Bid shall be submitted electronically via AggieBid by the bid due date and time Tuesday, August 11, 2020 - 2:00 PM CDT. ****Late bids will not be considered.** Email all questions to Patty Allison at pallison@tamus.edu.
