Description

The A&M System is seeking bids for the 3D Mobile Concrete Printer, as specified, for Project 28-3196 Center for Infrastructure Renewal, Bryan, Texas.

The manufacturer name, model and specifications listed for each item are meant to be descriptive, not restrictive, unless stated otherwise. If not offering the exact manufacturer and model specified you must submit detailed specifications and product cut sheets/literature for the product offered to be used as part of our evaluation. Failure to submit this information with your bid response will be grounds for disqualification. Any deviations from the specifications listed will be used in the evaluation and the A&M System will determine if the product offered is to be considered an equivalent and acceptable to meet our needs. The decision of the A&M System shall be final.
