## Description

---

The Texas A&M University System, on behalf of the department of Facilities Planning and Construction is seeking bids for the purchase and installation of a High Precision Surface Grinding Machine for the Engineering Lab of the Texas A&M University Higher Education Center currently under construction in McAllen, TX.

Bidders shall offer a one lot price response per the attached detailed specifications. Please note these specifications are part of the contractor equipment package. Attached to this bid is a pricing schedule. Bidders shall complete pricing schedule and return with bid response. Enter in the line item the total price as a one lot for all items on the pricing schedule.

Please review bid specifications sections carefully. All bid submittal requirements shall be submitted with your bid response.

Submit all bid questions via email to Patty Allison, [pallison@tamus.edu](mailto:pallison@tamus.edu). The bid response due date is no later than 2:00 PM on Monday, December 18, 2017. Late bids will not be accepted or considered.
