A statement to this effect should be contained in the RESPONDENT's cover letter.

This RFP contains specific requests for information. RESPONDENTS are encouraged to examine all sections of this RFP carefully, in that the degree of interrelationship between sections is critical. In those cases where mandatory requirements are stated, material failure to meet those requirements could result in disqualification of the RESPONDENT's response. Any deviation or exception from RFP specifications must be clearly identified by the RESPONDENT in its submittal.

Expenses for developing and presenting proposals shall be the entire responsibility of the RESPONDENT and shall not be chargeable to TAMUS. All supporting documentation submitted with this submittal will become the property of TAMUS unless otherwise requested by the RESPONDENT, in writing, at the time of submission, and agreed to, in writing, by TAMUS.

2.3 Proposal Components

The following documents are to be returned as part of your proposal response. Failure to include these documents will be basis for response disqualification.

- ✓ Signed Execution of Offer (Exhibit A)
- ✓ Non-Collusion Affidavit (Exhibit B)
- ✓ Technical Proposal (Section 3.3)

RESPONDENT shall provide one (1) original copy and one (1) electronic copy of the complete RFP response as specified above.

All electronic copies must either be in Microsoft Office software or Adobe Portable Document Format (PDF). All image files must be in one of the following formats: .jpg, .gif, .bmp, or .tif and submitted on a CDROM or thumb drive. We prefer image files to already be inserted as part of a document such as a PDF. Individual image files on the electronic media must be clearly named and referenced in your proposal response. Electronic proposals shall indicate the RESPONDENT's company name, the RFP number and opening date.

NOTE: The original signature on the ONE (1) hard copy will serve as the official signature of record for all electronic copies. The proposal must be manually signed by a person with authority to bind the firm under a contract.

Proposals are to be submitted as a booklet or in notebook form with appropriate indices. Each submittal should be prepared simply and economically, providing a straightforward concise description of the RESPONDENT's service, approach and ability to meet TAMUS' needs as stated in this RFP. Schedules and Exhibits must be clearly identified and defined.

2.4 Inquiries and Interpretations

Responses to inquiries which directly affect an interpretation or change to this RFP will be issued in writing by addendum/amendment and posted to the Electronic State Business Daily (ESBD). All such addenda/amendments issued by TAMUS prior to the time that proposals are received shall be considered part of the RFP, and the RESPONDENT shall consider and acknowledge receipt of such in their proposal. Only those TAMUS replied to inquiries which are made by

formal written addenda shall be binding. Oral and other interpretations or clarification will be without legal effect.

2.5 HUB Participation

It is the policy of the State of Texas and The Texas A&M University System (TAMUS) to encourage the use of Historically Underutilized Businesses (HUBs) both directly and indirectly in our prime contracts. The goal of the HUB Program is to promote equal access and equal opportunity in TAMUS contracting and purchasing. TAMUS does not anticipate any subcontracting opportunities in this solicitation.

2.6 Selection Process

The evaluation of the proposals shall be based on the facility that TAMUS deems to represent the **best value** to TAMUS. The RFP provides the information necessary to prepare and submit proposals for consideration by TAMUS. All properly submitted proposals will be reviewed, evaluated, and ranked by TAMUS. TAMUS will rank the respondents in the order that they provide the overall “best value” to TAMUS based on an evaluation of the responses to the RFP. TAMUS may interview one or more of the top ranked respondents as part of the evaluation process.

After proposal tabulation and investigation of lessors as TAMUS deems appropriate, an award may be made to the lessor whose proposal it judges to represent the best value to TAMUS. Final determination for award of the lease agreement will be made on the overall best value to the Texas A&M University System. TAMUS reserves the right to reject any or all lease proposals.

No award will be made until TAMUS is fully satisfied that the lessor is professionally, financially and otherwise competent and capable of entering into a lease and comply with the conditions specified in the lease.

By submitting its proposal in response to this RFP, respondent accepts the evaluation process and acknowledges and accepts that determination of the “best value” firm will require subjective judgments by TAMUS.

The selection of the successful proposal may be made by TAMUS on the basis of the proposals initially submitted, without discussion, clarification, or modification. In the alternative, selection of the successful proposal may be made by TAMUS on the basis of negotiation with any of the RESPONDENTS. TAMUS shall not disclose any information derived from the proposals submitted by competing RESPONDENTS in conducting such discussions.

All proposals must be complete and convey all of the information requested to be considered responsive. If a proposal fails to conform to the essential requirements of the RFP, TAMUS alone will determine whether the variance is significant enough to consider the proposal susceptible to being made acceptable, and therefore a candidate for further consideration, or not susceptible and therefore not considered for award.

TAMUS will perform reference checks and seek further information, as needed from all Respondents whose proposals the System, at its discretion, considers viable, based on the initial evaluation and scoring. The Proposer’s response to this requirement officially authorizes the A&M System to contact these organizations to discuss the services and other considerations which the Proposer has provided to such organizations and authorizes the organizations to provide such information to the A&M System and Proposer shall and hereby does release and

hold harmless the A&M System, the state of Texas, and the organization of any and all liability whatsoever, in connection with providing and receiving all such information. Any negative responses received from reference checks may be grounds for disqualification of the proposal.

TAMUS reserves the right to reject any or all proposals and re-solicit for new proposals, or to reject any or all proposals and temporarily or permanently abandon the project. TAMUS makes no representations, written or oral, that it will enter into any form of agreement with any respondent to this RFP for any project and no such representation is intended or should be construed by the issuance of this RFP.

NON-COLLUSION AFFIDAVIT

The undersigned, duly authorized to represent the persons, firms and corporations joining and participating in the submission of the foregoing Proposal (such persons, firms and corporations hereinafter being referred to as the "RESPONDENT"), being duly sworn, on his or her oath, states that to the best of his or her belief and knowledge no person, firm or corporation, nor any person duly representing the same joining and participating in the submission of the foregoing Proposal, has directly or indirectly entered into any agreement or arrangement with any other RESPONDENTS, or with any official of TAMUS or any employee thereof, or any person, firm or corporation under lease with TAMUS whereby the RESPONDENT, in order to induce acceptance of the foregoing Proposal by said TAMUS, has paid or is to pay to any other RESPONDENT or to any of the aforementioned persons anything of value whatever, and that the RESPONDENT has not, directly or indirectly entered into any arrangement or agreement with any other RESPONDENT or RESPONDENTS which tends to or does lessen or destroy free competition in the letting of the lease sought for by the foregoing Proposal.

The RESPONDENT hereby certifies that neither it, its officers, partners, owners, providers, representatives, employees and parties in interest, including the affiant, have in any way colluded, conspired, connived or agreed, directly or indirectly, with any other RESPONDENT, potential RESPONDENT, firm or person, in connection with this solicitation, to submit a collusive or sham bid, to refrain from bidding, to manipulate or ascertain the price(s) of other RESPONDENTS or potential RESPONDENTS, or to obtain through any unlawful act an advantage over other RESPONDENTS or TAMUS.

The prices submitted herein have been arrived at in an entirely independent and lawful manner by the RESPONDENT without consultation with other RESPONDENTS or potential RESPONDENTS or foreknowledge of the prices to be submitted in response to this solicitation by other RESPONDENTS or potential RESPONDENTS on the part of the RESPONDENT, its officers, partners, owners, providers, representatives, employees or parties in interest, including the affiant.

CONFLICT OF INTEREST

The undersigned RESPONDENT and each person signing on behalf of the RESPONDENT certifies, and in the case of a sole proprietorship, partnership or corporation, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of their knowledge and belief, no member of TAMUS, nor any employee, or person, whose salary is payable in whole or in part by TAMUS, has a direct or indirect financial interest in the award of this Proposal, or in the services to which this Proposal relates, or in any of the profits, real or potential, thereof, except as noted otherwise herein.
