## Description

---

The Texas A&M University System is seeking bids for the purchase of the equipment specified in this Invitation to Bid for Facilities Planning and Construction Project 04-3396 - Tarleton State University - Convocation Center, in Stephenville, Texas.

The bid is for the procurement of an anti-gravity treadmill, as outlined in the attached specifications sheet. Specifications are meant to be descriptive and not restrictive, allowing for equivalent products that meet or exceed outlined requirements. The A&M System will determine if the product offered is equal to that specified and will meet the needs of Tarleton State University. That determination made by the A&M System shall be final.

Bid shall be submitted electronically via AggieBid by the bid due date and time Wednesday, February 12, 2025 - 2:00 PM - Central Time.

***\*\*Late bids will not be accepted or considered.***

Email all questions to Sterling Crowdus at email: [soprocurement@tamus.edu](mailto:soprocurement@tamus.edu) or submit through the Q&A section within AggieBid.

## Prerequisites

- ★ 1. Terms and Conditions: This Invitation to Bid shall be per the attached A&M System - Exhibit A - Bid Requirement, Terms and Conditions. Respondent shall acknowledge receipt and understanding of the A&M System bid terms. Any exceptions taken to the attached terms must be clearly identified and included in your bid response. Any exceptions identified will be taken into consideration in the review for award of this bid. The A&M System reserves the right to reject, negotiate, or accept any exception listed to these bid terms.
- ★ 2. Attachment A includes the order, delivery and installation requirements that will apply to the purchase order issued to the awarded bidder. Acknowledge you have reviewed and accept these requirements in this Attachment A. Any exceptions taken to the attached requirements shall be clearly identified and included in your bid response. Any exceptions identified will be taken into consideration in the review for award of this ITB. The A&M System reserves the right to reject, negotiate, or accept any exception listed to these ITB requirements.
- ★ 3. Quote: Attach your company quote which lists and details each individual item for verification that all specifications are met. Include delivery lead-time for each item. Bid pricing shall remain firm until all items are delivered and accepted.
- ★ 4. Additional Charges: Any additional charges not specified in this invitation for bid shall become the responsibility of the bidder/awarded vendor. No other fees or costs can be added once bid responses are received and bid is closed. Bidder acknowledges that pricing submitted in this bid includes ALL / AN costs for product, delivery, installation (if applicable), and any other fees not specifically requested.
- ★ 5. Alternate Product: If bidding an alternate product(s) to the make/manufacturer specified within each line item (if any), you must submit full descriptive literature/cut sheets with your bid response.
- ★ 6. Delivery: Lead time for delivery may be a factor in the award of the bid. Bidders must give estimated delivery date for all items.
- ★ 7. Shipping Terms: Quote F.O.B. Destination.
- ★ 8. Payment Terms: The A&M System's terms are generally Net 30 upon delivery of all items and receipt of a correct invoice. For any other payment terms to be considered, details must be submitted with your bid response for consideration and approval.
- ★ 9. Award Criteria: The Texas A&M University System (A&M System) will evaluate and make the award to the bid that is determined to be the best value to the A&M System based on the following criteria: specifications, pricing, delivery timeframe, the extent to which the goods or services meet our needs, the vendor's past relationship with the A&M System and other state entities and any other factor the A&M System deems relevant.
