Description

The Texas A&M University System's RELIS Campus is seeking bids for the National Instruments, Ettus USRP X410 software defined radio devices specified or Approved Equivalent. The need date for these items is as soon as they become available.

The manufacturer name, model and specifications listed are meant to be descriptive, not restrictive, unless stated otherwise. If not offering the exact manufacturer and model specified you must submit detailed specifications and product cut sheets/literature for the product offered to be used as part of our evaluation. Failure to submit this information with your bid response will be grounds for disqualification. Any deviations from the specifications listed will be used in the evaluation and the A&M System will determine if the product offered is to be considered an equivalent and acceptable to meet our needs. The decision of the A&M System shall be final.

Bidders shall reference the following attachments:

- Exhibit A - Bid_PO Terms 09222022
- Ettus USRP X410 Specifications
- TAMUS-ITB-3817 - HSP Requirements

Bid shall be submitted electronically via AggieBid by the bid due date and time: Thursday, October 6, 2022 - 2:00 PM - CDT. ****Late bids will not be considered.**

Email all questions to A&M System Buyer - Patty Allison - SOProcurement@tamus.edu.
