appropriated funds to enter into any employment contract, consulting contract, or professional services contract with any individual who has been previously employed, as an employee, by the agency within the past twelve (12) months. - G. **State Auditor's Office.** PROVIDER understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds pursuant to Section 51.9335(c), *Texas Education Code*. PROVIDER agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation, providing all records requested. This Agreement may not be amended or otherwise altered except upon the written agreement of both parties.
- I. **Severability.** If any provisions of this Agreement are rendered or declared illegal for any reason, or shall be invalid or unenforceable, such provision shall be modified or deleted in such manner so as to afford the Party for whose benefit it was intended the fullest benefit commensurate with making this Agreement, as modified, enforceable, and the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby, but shall be enforced to the greatest extent permitted by applicable law.
- J. **Headings.** Headings appear solely for convenience of reference. Such headings are not part of this Agreement and shall not be used to construe it.

- The PROVIDER shall provide the notice described in this section to **three (3) or more** HUBs for **each** subcontracting opportunity as stated in Section B3a. The A&M System encourages PROVIDERs to seek and find a "Diverse Group" of Historically Underutilized Businesses in each category in which a subcontract of services is solicited.
- The PROVIDER shall provide notice to minority and women business trade organizations or development centers that assist in identifying HUBs by disseminating opportunities to their membership/participants. A list of possible organizations/centers can be found at the following site;

- The PROVIDER shall negotiate in good faith with qualified HUBs, not rejecting qualified HUBs who were also the best value responsive bidder.

It is the policy of the A&M System to involve qualified HUBs to the greatest extent allowed by law in the A&M System's construction contracting, professional services, and purchase, lease, or rental of all supplies, materials, services and equipment. All A&M System members are responsible for making a good faith effort of ensuring that HUBs are afforded an equitable opportunity to compete for all procurement and contracting activities of the System.

- M. **Force Majeure.** Neither party is required to perform any term, condition, or covenant of this Agreement, if performance is prevented or delayed by a natural occurrence, a fire, an act of God, an act of terrorism, or other similar occurrence, the cause of which is not reasonably within the control of such party and which by due diligence it is unable to prevent or overcome.
- N. **Loss of Funding.** Performance by the A&M System under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature"). If the Legislature fails to appropriate or allot the necessary funds, the A&M System will issue written notice to PROVIDER and the A&M System may

- terminate this Agreement without further duty or obligation hereunder. PROVIDER acknowledges that appropriation of funds is beyond the control of the A&M System.

- Q. **Non-Waiver.** PROVIDER expressly acknowledges that the A&M System is an agency of the State of Texas and nothing in this Agreement will be construed as a waiver or relinquishment by the A&M System of its right to claim such exemptions, privileges, and immunities as may be provided by law.
- R. **Non - Discrimination.** The parties agree that in the performance of any contract they shall not discriminate in any manner on the basis of race, color, national origin, age, religion, sex, sexual orientation, disability, genetic information, veterans status or gender identity as protected by law. Such action shall include, but is not limited to the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation. By submitting a submittal, PROVIDER certify that they will conform to the provisions of the Federal Civil Rights Action of 1964, as amended.
- S. **Immigration Reform and Control Act of 1986.** By submitting a state of qualification, the PROVIDER certify that they do not and will not, during the performance of this contract, employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.
- T. **Vendor Liability.** The PROVIDER will be liable for any associated costs of repairs for damage to buildings or other A&M System property caused by the negligence of the PROVIDER's employees. **Modification of Service.** The A&M System reserves the right to modify the services during the course of the contract. Any changes in pricing and rates proposed by the PROVIDER resulting from such changes are subject to acceptance by the A&M System. In the event prices and rates cannot be negotiated to the satisfaction of both parties, the contract may be subject to competitive bidding based upon the new specifications.
- U. **Publicity.** PROVIDER must refrain from giving any reference to this project, whether in the form of press releases, brochures, photographic coverage, or verbal announcements, without specific written approval from the A&M System.
- V. **Ownership of Documents.** Upon completion or termination of any contract agreement, all documents prepared by the PROVIDER for the benefit of the A&M System shall become the property of the A&M System. At the A&M System's option, such documents will be delivered to the A&M System Procurement Office. The A&M System acknowledges that the documents are prepared only for the contracted services specified. Prior to completion of the contracted services, the A&M System shall have a recognized proprietary interest in the work product of the PROVIDER.
- W. **Survivability.** The PROVIDER'S duties under this Master Agreement, project specific agreement and/or purchase order, which impose an obligation after expiration or
