

AN AGREEMENT
BY AND BETWEEN
THE TEXAS A&M UNIVERSITY SYSTEM OFFICES
AND SCANTRON CORPORATION

This Services Agreement (“Agreement”) is entered into and effective upon final execution of this Agreement (the “Effective Date”), by and between The Texas A&M University System (hereafter referred to as “TAMUS”), an agency of the state of Texas, and Scantron Corporation (hereafter referred to as “PROVIDER”). TAMUS and PROVIDER are sometimes hereafter referred to as “Party” individually or “Parties” collectively).

TAMUS and PROVIDER hereby agree as follows:

1. SCOPE OF WORK

PROVIDER will work with each member (hereafter referred to as “MEMBER”) within The Texas A&M University System to implement a course evaluation tool as outlined in RFP01 CIO-17-006. Reference Section 3 of the RFP and the PROVIDER response for details of the services included in the scope of this agreement.

2. TERM OF THE AGREEMENT

The initial term of this Agreement shall begin upon the Execution Date and will extend for three (3) years. This Agreement can be extended for one (1) additional two (2) year term upon written agreement of both parties. Any extensions shall be at the same terms and conditions plus any approved changes to be determined by TAMUS and negotiated in writing with the PROVIDER.

This Agreement is not a contract to perform work at a specific MEMBER but is intended to demonstrate the ability of each MEMBER to contract individually with the PROVIDER for the services outlined in RFP01 CIO-17-006 for a Course Survey Tool. It is the responsibility of each MEMBER to negotiate a final Agreement for their specific needs. There is no guarantee of MEMBER participation.

3. PAYMENT TERMS

- A. TAMUS shall not pay any costs or fees as a direct result of this Agreement. Any and all costs shall be negotiated and defined in each MEMBER specific agreement.
- B. The Texas A&M University System pricing proposal in attached as Exhibit A and made a part of this Agreement.

Each MEMBER entering into an agreement will be responsible to negotiate payment terms for their specific agreement.

4. DEFAULT AND TERMINATION

- A. In the event of substantial failure by PROVIDER to perform in accordance with the terms hereof, TAMUS may terminate this Agreement upon fifteen (15) days written notice of termination setting forth the nature of the failure (the termination shall not be effective if

the failure is fully cured prior to the end of the fifteen-day period), provided that said failure is through no fault of TAMUS.

- B. TAMUS may terminate this Agreement at any time upon seven (7) days prior notice to PROVIDER.

5. ACCESSIBILITY

- A. PROVIDER represents and warrants that the electronic and information resources and all associated information, documentation, and support that it provides to TAMUS under this Agreement (collectively, the “EIRs”) comply with the applicable requirements set forth in Title 1, Chapter 213 of the Texas Administrative Code and Title 1, Chapter 206, §206.70 of the Texas Administrative Code (as authorized by Chapter 2054, Subchapter M of the Texas Government Code). To the extent PROVIDER becomes aware that the EIRs, or any portion thereof, do not comply, then PROVIDER shall, at no cost to TAMUS, either (1) perform all necessary remediation or (2) replace the EIRs with new EIRs.

6. PUBLIC INFORMATION

- A. PROVIDER acknowledges that TAMUS is obligated to strictly comply with the Public Information Act, Chapter 552, *Texas Government Code*, in responding to any request for public information pertaining to this Agreement, as well as any other disclosure of information required by applicable Texas law.
- B. Upon TAMUS’s written request, PROVIDER will provide specified public information exchanged or created under this Agreement that is not otherwise excepted from disclosure under chapter 552, Texas Government Code, to TAMUS in a non-proprietary format acceptable to TAMUS. As used in this provision, “public information” has the meaning assigned Section 552.002, *Texas Government Code*, but only includes information to which TAMUS has a right of access.
- C. PROVIDER acknowledges that TAMUS may be required to post a copy of the fully executed Agreement on its Internet website in compliance with Section 2261.253(a)(1), *Texas Government Code*.

7. DISPUTE RESOLUTION

The dispute resolution process provided in Chapter 2260, *Texas Government Code*, and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, shall be used by TAMUS and PROVIDER to attempt to resolve any claim for breach of contract made by PROVIDER that cannot be resolved in the ordinary course of business. PROVIDER shall submit written notice of a claim of breach of contract under this Chapter to Billy Hamilton, Executive Vice Chancellor and Chief Financial Officer for TAMUS, who shall examine PROVIDER’s claim and any counterclaim and negotiate with PROVIDER in an effort to resolve the claim.

8. INSURANCE

- A. This process is described in Exhibit B, attached hereto.

9. DATA SECURITY

- A. “Protected Information” means employment records, medical records, education records, personal financial records (or other individually identifiable information), research data, classified government information, and other data that has been designated as private, protected, or confidential by law or by TAMUS. “Protected Information” does not include public records that by law must be made available to the general public. If PROVIDER is uncertain as to whether any data constitutes Protected Information, PROVIDER shall treat the data in question as Protected Information until a determination is made by TAMUS.
- B. PROVIDER shall comply with all vendor access requirements.
- C. For purposes of the Family Educational Rights and Privacy Act (“FERPA”), TAMUS designates PROVIDER as a school official with a legitimate educational interest in any education records in Protected Information to the extent PROVIDER requires access to those records to fulfill its obligations under this Agreement.
- D. PROVIDER shall hold Protected Information in strict confidence. PROVIDER may not use or disclose Protected Information received from or on behalf of TAMUS except as permitted or required by this Agreement, as required by law, or as otherwise authorized in writing by TAMUS. PROVIDER may not use Protected Information for any purpose other than the purpose for which the disclosure was made. PROVIDER may allow only PROVIDER’s employees who have a legitimate business need in performing this Agreement to have access to Protected Information.
- E. Upon termination of this Agreement, PROVIDER shall return all Protected Information to TAMUS within 30 days or, if return is not feasible, destroy all Protected Information. At least 20 days before destruction of any Protected Information, PROVIDER shall provide TAMUS with written notice of PROVIDER’s intent to destroy Protected Information. Within seven days after destruction, PROVIDER shall confirm to TAMUS in writing the destruction of Protected Information.
- F. If TAMUS reasonably determines in good faith that PROVIDER has materially breached any of its confidentiality obligations under this Agreement or has violated FERPA, TAMUS, in its sole discretion, may require PROVIDER to submit to a plan of monitoring and reporting; provide PROVIDER with a 15-day period to cure the breach; or terminate this Agreement immediately. Before exercising any of these options, TAMUS shall provide written notice to PROVIDER describing the violation and the action it intends to take. If the Family Policy Compliance Office of the U.S. Department of Education determines that PROVIDER improperly disclosed personally identifiable information obtained from TAMUS’s education records, TAMUS may not allow PROVIDER access to education records for at least five years.
- G. PROVIDER shall ensure that Protected Information in PROVIDER’s custody is (1) encrypted when transmitted over the internet or any other public network and (2) stored only within the United States, and shall develop, implement, maintain, and use other appropriate administrative, technical, and physical security

measures to preserve the confidentiality, integrity and availability of all electronically maintained or transmitted Protected Information received from, or on behalf of TAMUS. PROVIDER shall extend these measures by contract to all subcontractors used by PROVIDER.

- H. PROVIDER shall, within one day of discovery, report to TAMUS any use or disclosure of Protected Information not authorized by this Agreement or in writing by TAMUS. PROVIDER's report shall identify: (1) the nature of the unauthorized use or disclosure, (2) the Protected Information used or disclosed, (3) who made the unauthorized use or received the unauthorized disclosure, (4) what PROVIDER has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (5) what corrective action PROVIDER has taken or will take to prevent future similar unauthorized use or disclosure. PROVIDER shall provide such other information, including a written report, as reasonably requested by TAMUS.
- I. PROVIDER shall defend and indemnify TAMUS from all claims, liabilities, damages, or judgments involving a third party, including TAMUS's costs and attorneys' fees, which arise as a result of PROVIDER's failure to meet or breach any of its obligations under this provision.
- J. The restrictions and obligations under this provision will survive expiration or termination of this Agreement for any reason.

10. MATERIAL FUNCTION

- A. In the event PROVIDER removes a material function ("Function") found in any Software licensed by PROVIDER to TAMUS hereunder ("Initial Software") from a subsequent version or release of such Software, whether such removal occurs via Support Services purchased by TAMUS for the Initial Software or otherwise, and that Function appears in another product ("Additional Software") PROVIDER makes commercially available, then TAMUS, at TAMUS's sole discretion and without forfeiting rights to Initial Software, shall be entitled to receive an equal quantity of licenses for the Additional Software as TAMUS had rights to the Initial Software at no additional license or Support Services charge provided that has purchased Support Services continuously from the date of license acquisition of the particular unit of Initial Software, until the time Additional Software is offered to TAMUS hereunder.

11. SOFTWARE END OF LIFE

- A. Should PROVIDER (a) cease further development work for or "end of life" Initial Software, and (b) should PROVIDER make commercially available any replacement product or products that contain substantially all of same functionality found in Initial Software ("Replacement Software"), then TAMUS, at TAMUS's sole discretion, shall be entitled to receive an equal quantity of licenses for each such Replacement Software as TAMUS had rights to the Initial Product at no additional license or Support Services charge, provided that TAMUS has purchased Support Services continuously from the commencement date of the license acquisition of the particular unit of Initial Software, until the time the Replacement Software is offered to TAMUS hereunder. To the extent that Additional Software includes new and substantially different functionality not found in the Initial Software (where such functionality is not specified in the documentation

supplied with the Initial Software or made available under the provisions of Support Services) and PROVIDER elects and is able through code to prevent the use of only the new and substantially different functionality without in any way degrading the functionality found in the Initial Software, TAMUS acknowledges that TAMUS's right to use such Additional or Replacement Software shall be limited solely to the use of the functionality supplied in the Initial Software and, for the avoidance of doubt, nothing in the foregoing grants TAMUS a license to use such new and substantially different functionality unless PROVIDER is unable through code to prevent the use if only the new and substantially different functionality found in the Initial Software without in any way degrading the functionality found in the Initial Software. Notwithstanding the foregoing, nothing herein shall entitle TAMUS to receive new Hardware System(s) without payment to PROVIDER.

12. MISCELLANEOUS

- A. **Indemnification. PROVIDER agrees to indemnify and hold harmless TAMUS from any claim, damage, liability, expense or loss to the extent arising out of PROVIDER's negligent or willful errors or omissions under this Agreement.**
- B. **Independent Contractor.** PROVIDER is an independent contractor, and neither PROVIDER nor any employee of PROVIDER shall be deemed to be an agent or employee of TAMUS. TAMUS will have no responsibility to provide transportation, insurance or other fringe benefits normally associated with employee status. PROVIDER shall observe and abide by all applicable laws and regulations, policies and procedures, including but not limited to those of TAMUS relative to conduct on its premises.
- C. **Delinquent Child Support Obligations.** A child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under an agreement to provide property, materials, or services until all arrearages have been paid or the obligor is in compliance with a written repayment agreement or court order as to any existing delinquency. The *Texas Family Code* requires the following statement: "Under Section 231.006, *Texas Family Code*, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate."
- D. **Payment of Debt or Delinquency to the State.** Pursuant to Section 2252.903, *Texas Government Code*, PROVIDER agrees that any payments owing to PROVIDER under this Agreement may be applied directly toward certain debts or delinquencies that PROVIDER owes the State of Texas or any agency of the State of Texas regardless of when they arise, until such debts or delinquencies are paid in full.
- E. **Previous Employment.** PROVIDER acknowledges and understands that Section 2252.901, *Texas Government Code*, prohibits TAMUS from using state appropriated funds to enter into any employment contract, consulting contract, or professional services contract with any individual who has been previously employed, as an employee, by the agency within the past twelve (12) months. If PROVIDER is an individual, by signing this Agreement, PROVIDER certifies that Section 2252.901, *Texas Government Code*,

does not prohibit the use of state appropriated funds for satisfying the payment obligations herein.

- F. **Franchise Tax Certification.** If PROVIDER is a taxable entity subject to the Texas Franchise Tax (Chapter 171, *Texas Tax Code*), then PROVIDER certifies that it is not currently delinquent in the payment of any franchise (margin) taxes or that PROVIDER is exempt from the payment of franchise (margin) taxes.
- G. **State Auditor's Office.** PROVIDER understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds pursuant to Section 51.9335(c), *Texas Education Code*. PROVIDER agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation, providing all records requested. PROVIDER will include this provision in all contracts with permitted subcontractors.
- H. **Entire Agreement.** This Agreement constitutes the sole agreement of the parties and supersedes any other oral or written understanding or agreement pertaining to the subject matter of this Agreement. This Agreement may not be amended or otherwise altered except upon the written agreement of both parties.
- I. **Severability.** If any provisions of this Agreement are rendered or declared illegal for any reason, or shall be invalid or unenforceable, such provision shall be modified or deleted in such manner so as to afford the Party for whose benefit it was intended the fullest benefit commensurate with making this Agreement, as modified, enforceable, and the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby, but shall be enforced to the greatest extent permitted by applicable law.
- J. **Headings.** Headings appear solely for convenience of reference. Such headings are not part of this Agreement and shall not be used to construe it.
- K. **Non-Assignment.** PROVIDER shall neither assign its rights nor delegate its duties under this Agreement without the prior written consent of TAMUS.
- L. **HUB Subcontracting Plan.** If a subcontractor will be used to provide any commodity or service as part of the scope on a specific assignment, the PROVIDER will be required to make a good faith effort and complete the state of Texas HSP found at <http://www.tamus.edu/business/facilities-planning-construction/forms-guidelines-wage-rates/>. If there are pre-existing agreements in place with companies who will be hired as subcontractors, the PROVIDER will show those companies as subcontractors on the HSP and provide an explanation as to why solicitations were not done, e.g. contractual requirements. If no pre-existing agreements with companies who will be hired as subcontractors exist, then the PROVIDER will be expected to make a good faith effort according to the HSP instructions.

In the event that you determine you will be using a subcontractor, please contact Mr. Jeff Zimmermann from the A&M System's HUB Program at (979) 458-6410 or jzimmermann@tamus.edu for assistance in determining available HUB subcontractors and proper completion of the HSP.

- M. **Force Majeure.** Neither party is required to perform any term, condition, or covenant of this Agreement, if performance is prevented or delayed by a natural occurrence, a fire, an act of God, an act of terrorism, or other similar occurrence, the cause of which is not

reasonably within the control of such party and which by due diligence it is unable to prevent or overcome.

- N. **Loss of Funding.** Performance by TAMUS under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature"). If the Legislature fails to appropriate or allot the necessary funds, TAMUS will issue written notice to PROVIDER and TAMUS may terminate this Agreement without further duty or obligation hereunder. PROVIDER acknowledges that appropriation of funds is beyond the control of TAMUS.
- O. **Governing Law.** The validity of this Agreement and all matters pertaining to this Agreement, including but not limited to, matters of performance, non-performance, breach, remedies, procedures, rights, duties, and interpretation or construction, shall be governed and determined by the Constitution and the laws of the State of Texas.
- P. **Venue.** Pursuant to Section 85.18, *Texas Education Code*, venue for any suit filed against TAMUS shall be in the county in which the primary office of the chief executive officer of TAMUS is located, which is Brazos County, Texas.
- Q. **Non-Waiver.** PROVIDER expressly acknowledges that TAMUS is an agency of the State of Texas and nothing in this Agreement will be construed as a waiver or relinquishment by TAMUS of its right to claim such exemptions, privileges, and immunities as may be provided by law.
- R. **Notices.** Any notice required or permitted under this Agreement must be in writing, and shall be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address set out below. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, email or other commercially reasonable means and will be effective when actually received. TAMUS and PROVIDER can change their respective notice address by sending to the other party a notice of the new address. Notices should be addressed as follows:
