

MASTER SERVICES AGREEMENT
BY AND BETWEEN
THE TEXAS A&M UNIVERSITY SYSTEM
AND ACCENTURE LLP

This Master Services Agreement (“Agreement” or “MSA”) is entered into as of the date of last signature below (the “Effective Date”), by and between The Texas A&M University System (hereafter referred to as “A&M System” or “Client”), an agency of the state of Texas, and Accenture LLP, a limited liability partnership in the State of Texas (hereafter referred to as “PROVIDER” or “ACCENTURE”). A&M System and PROVIDER are sometimes hereafter referred to as “Party” individually or “Parties” collectively).

A&M System and PROVIDER hereby agree as follows:

1. SCOPE OF WORK

PROVIDER will work with the A&M System and its members (hereafter referred to as “Member” or “Members”) to provide services and deliverables (“Services”) to assist with the data management services, on an as needed basis. The Services included (but not limited to) in the scope of this Agreement are listed in Exhibit A, attached hereto.

This Agreement is not a contract to perform specific work but is intended to demonstrate the ability of A&M System and its Members to contract with the PROVIDER for the Services outlined in Exhibit A. Each Member will negotiate a statement of work for any specific sub-project and execute an order form or purchase order for the specific needs (each an “Order Form”). The terms of this Agreement shall be incorporated into all Order Forms executed by a Member and PROVIDER for the Services during the term of this Agreement.

2. PROVIDER OBLIGATIONS

- A. PROVIDER will perform the Services in accordance with the standards of care, skill, and diligence expected of a qualified, competent and experienced professional in the provision of the type of services required under this Agreement.
- B. PROVIDER will obtain, maintain in effect, and pay the cost for all licenses, permits, or certifications that may be necessary for PROVIDER’s performance of this Agreement.
- C. PROVIDER represents and warrants that there are no obligations, commitments, third party rights, or impediments of any kind that will limit or prevent PROVIDER’s performance of the Services.

3. TERM OF THE AGREEMENT

The term of this Agreement begins on the Effective Date and continues for a period of five (5) years unless earlier terminated as provided herein; provided, however, that the terms of this Agreement shall remain applicable to any Order Form that was executed prior to the expiration or termination of this Agreement but whose period of performance extends beyond the expiration or termination of this Agreement. This Agreement may be extended for two (2) additional two (2) year periods upon mutual written agreement executed by the Parties.

4. PAYMENT TERMS

- A. A&M System shall not pay any costs or fees as a direct result of this Agreement. For the services rendered under this Agreement, A&M System or Member utilizing services shall

pay PROVIDER based on the pricing proposal attached as Exhibit B and made a part of this Agreement. The rate schedule may be renegotiated based on the rate card assumptions in Exhibit B. Additional rates may be negotiated on a per project basis.

- B. PROVIDER shall invoice Member for amounts due consistent with the payment schedule as negotiated per project. Each invoice must reference the A&M System or Member purchase order number (which will be provided to PROVIDER within 15 days of the execution of this Agreement) and include a description of services provided to include but not limited to time, deliverables, and activities along with documentation that A&M System may reasonably request to support the invoice amount. The A&M System will make payment on a properly prepared and submitted invoice in accordance with Chapter 2251, Texas Government Code (the "Texas Prompt Payment Act"), which shall govern remittance of payment and remedies for late payment and non-payment.
- C. Business-related travel, lodging and/or meal expenses validly incurred directly and solely in support of the Services and approved by A&M System or Member in advance, PROVIDER will be reimbursed by A&M System according to the State of Texas rates, rules, and regulations (<https://fmx.cpa.texas.gov/fmx/travel/texttravel/rates/current.php>). When requesting such reimbursement, PROVIDER will submit to A&M System or Member receipts, invoices and other documentation as required by A&M System or Member. Under no circumstances will PROVIDER be reimbursed for alcohol purchases. State travel rates are subject to change without notice and will be adjusted accordingly. Mileage rates will be calculated from point-to-point (PROVIDER's place of business to job site) using the State of Texas mileage. Should the Agreement be renewed for an additional term, travel reimbursement amounts will be renegotiated at that time.
- D. All payments will be made by electronic direct deposit. PROVIDER is required to complete and submit to A&M System a Vendor Direct Deposit Authorization form prior to the first payment request. The form can be accessed at; <https://www.tamus.edu/business/budgets-and-accounting/accounting/general/>.

5. DEFAULT AND TERMINATION

- A. Default of Respondent – A&M System shall have the right to terminate this Agreement without penalty after a 90-day written notice of termination in the event:

 - b. PROVIDER declares bankruptcy, become insolvent, or assign company assets for the benefit of creditors.
- B. For Convenience – Either Party shall have the right to terminate this Agreement at any time upon ninety (90) days prior notice to the other Party.

- C. The period of performance of any Order Form will be as provided in the Order Form. Either party to the Order Form may terminate such Order Form effective upon written

notice to the other party if the other party materially breaches any term of this Agreement or the Order Form and fails to cure such breach within fifteen (15) days after receiving written notice of the breach. In the event that the Member terminates the Order Form pursuant to this Section, the Member shall receive a pro-rata refund of any pre-paid fees. Furthermore, Member may terminate the Order Form at any time upon thirty (30) days prior notice to PROVIDER. The termination of any one Order Form will not affect any other Order Form or this Agreement.

6. OWNERSHIP OF CREATED WORKS

Each Party (or its licensors as applicable) shall retain ownership of its intellectual property rights, including without limitation patents, copyright, trade secrets and other proprietary rights ("IP") which were existing prior to each statement of work for any specific Order Form, as well as its know-how and any IP developed, licensed or acquired by or on behalf of a Party or its licensors independently from the Services or the Deliverables, in each case including any modifications or derivatives (collectively "Pre-Existing IP"). Except for Pre-Existing IP, PROVIDER irrevocably assigns, transfers and conveys to A&M System, for no additional consideration, all of PROVIDER's ownership, rights, title and interest in and to all works prepared by PROVIDER under this Agreement ("Deliverables"), including, without limitation, all copyrights, patents, trademarks, trade secrets and other intellectual property rights and all other rights that may hereafter be vested relating to the Deliverables under law. PROVIDER certifies that all Deliverables will be original, or that PROVIDER will have obtained all rights necessary for the ownership and unrestricted use of the Deliverables by A&M System. PROVIDER shall secure for A&M System all consents, releases, and contracts and perform other reasonable acts as A&M System may deem necessary to secure and evidence A&M System's rights in any Deliverable. PROVIDER grants to A&M System a perpetual, non-exclusive, fully paid, sublicensable, worldwide license to use any PreExisting IP included in the Deliverables in connection with its use of the Deliverables.

Provider may, to the extent consistent with the terms of this Agreement and applicable law, independently develop for itself, or for others, anything, whether in tangible or non-tangible form, which is competitive with, or similar to, the deliverables, provided they do not contain A&M System Data.

7. CONFIDENTIALITY

- A. The Parties anticipate that under this Agreement it may be necessary for a Party (the "Disclosing Party") to transfer information of a confidential nature ("Confidential Information") to the other Party (the "Receiving Party"). The Disclosing Party shall clearly identify Confidential Information at the time of disclosure by (a) appropriate stamp or markings on the document exchanged, or (b) written notice, with attached listings of all material, copies of all documents, and complete summaries of all oral disclosures (under prior assertion of the confidential nature of the same) to which each notice relates, delivered within thirty (30) days of the disclosure to the other party. "Confidential Information" does not include information that: (a) is or becomes publicly known or available other than as a result of a breach of this Agreement by the Receiving Party; (b) was already in the possession of the Receiving Party as the result of disclosure by an individual or entity that was not then obligated to keep that information confidential; (c) the Disclosing Party had disclosed or discloses to an individual or entity without confidentiality restrictions; or (d) the Receiving Party had developed or develops independently before or after the Disclosing Party discloses equivalent information to the Receiving Party.

- B. The Receiving Party shall use the same reasonable efforts to protect the Disclosing Party's Confidential Information as it uses to protect its own confidential information of a similar nature. The Receiving Party may only disclose Confidential Information to its personnel having a need to know the Confidential Information to fulfill the Receiving Party's obligations under this Agreement. The Receiving Party may not reproduce, disclose, or use Confidential Information except in performing its obligations under this Agreement. If the Receiving Party is legally required to disclose Confidential Information, the Receiving Party shall, to the extent allowed by law, promptly give the Disclosing Party written notice of the requirement so as to provide the Disclosing Party a reasonable opportunity to pursue appropriate process to prevent or limit the disclosure. If the Receiving Party complies with the terms of this Section, disclosure of that portion of the Confidential Information, which the Receiving Party is legally required to disclose, will not constitute a breach of this Agreement.
- C. The Receiving Party shall, upon request of the Disclosing Party, promptly return or destroy all materials embodying Confidential Information other than materials in electronic backup systems or otherwise not reasonably capable of being readily located and segregated without undue burden or expense, except that the Receiving Party may securely retain one (1) copy in its files solely for record purposes. The Receiving Party's obligations as to Confidential Information will survive the termination or expiration of this Agreement for a period of three (3) years.

A&M System may test the EIR to ensure the accuracy of the VPAT response regarding conformance with the Accessibility Standards. If PROVIDER should have known, becomes aware, or is notified that the EIR do not comply with the Accessibility Standards, PROVIDER shall, in a timely manner and at no cost to A&M System, perform all necessary steps to satisfy the Accessibility Standards, including but not limited to remediation, replacement, or upgrading the EIR, or providing a suitable substitute.

The cybersecurity training program must be completed by PROVIDER and its employees, officers, and subcontractors during the Term and any renewal period of this Agreement. PROVIDER shall verify completion of the program in writing to A&M

System within the first thirty (30) calendar days of the Term and any renewal period of this Agreement. PROVIDER acknowledges and agrees that its failure to comply with the requirements of this Section are grounds for A&M System to terminate this Agreement for cause in accordance with the provisions of Section 4 of this Agreement.

PROVIDER shall only use or disclose A&M System's data for the purpose of fulfilling PROVIDER's obligations under this Agreement, as required by law, or as otherwise authorized in writing by A&M System. PROVIDER shall restrict disclosure of the A&M System's data solely to those employees, subcontractors or agents of PROVIDER that have a need to access the A&M System's data in order for PROVIDER to perform its obligations under this Agreement. PROVIDER shall require any agents to comply with the same restrictions and obligations imposed on PROVIDER in this Agreement. PROVIDER shall require any subcontractors to comply with substantially similar restrictions and obligations imposed on PROVIDER in this Agreement.
- ii. PROVIDER shall, within two (2) business days of discovery, report to A&M System any use or disclosure of A&M System's data not authorized by this Agreement or in writing by A&M System. PROVIDER's report must identify: (a) the nature of the unauthorized use or disclosure, (b) the A&M System data used or disclosed, (c) who made the unauthorized use or received the unauthorized disclosure, (d) what PROVIDER has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (e) what corrective action PROVIDER has taken or will take to prevent future similar unauthorized use or disclosure. PROVIDER shall provide such other information, including a written report, as reasonably requested by A&M System.

PROVIDER shall indemnify and hold harmless A&M System, and their regents, employees and agents (collectively, the "A&M System Indemnitees") from and against any third-party claims, damages, liabilities, expense or loss asserted against A&M System Indemnitees arising out of PROVIDER's negligence or willful misconduct under this Agreement pertaining to the activities and obligations under this Agreement, except to the extent such liability, loss or damage arises from an A&M System Indemnitee's gross negligence or willful misconduct.

11. LIMITATION OF LIABILITY

To the extent authorized by the laws and Constitution of the State of Texas, the liability of either Party to the other in relation to any and all claims in any manner related to the Agreement

Notwithstanding the foregoing, the limitation of liability relating to a Party's obligations with respect to losses arising from a breach of its obligations (i) with respect to Personal Information (ii) with respect to any additional data requirements or safeguards specified in the applicable SOW, or (ii) with respect to compliance with Data Protection laws, shall not exceed in the aggregate an amount equal to three times the Cap. Neither Party be liable (whether in contract, tort, negligence, strict liability in tort, by statute or otherwise) for any: (i) consequential, indirect, incidental, special or punitive damages, or (ii) loss of profits, revenue, business, opportunity or anticipated savings. Notwithstanding the foregoing, the limitations or exclusions under this Agreement will not apply to liability arising out of either Party's, (i) obligations to indemnify under Section 10, (ii) fraud or willful misconduct, (iii) death or bodily injury, and (iv) liability which cannot lawfully be excluded or limited.

12. MISCELLANEOUS

Neither Party may use the Marks of the other without the advance written consent of that Party, except that each Party may use the name of the other Party in factual statements that, in context, are not misleading. The Parties will mutually agree in advance upon any public announcements, or communications to the media regarding this Agreement or the services to be provided pursuant to this Agreement.
- C. **Family Education Rights and Privacy Act.** For purposes of the Family Educational Rights and Privacy Act ("FERPA"), A&M System hereby designates PROVIDER as a school official with a legitimate educational interest in any education records (as defined in FERPA) that PROVIDER is required to create, access, receive, or maintain in order to fulfill its obligations under this Agreement. PROVIDER shall comply with FERPA as to any such education records and is prohibited from redisclosure of the education records except as provided for in this Agreement or otherwise authorized by FERPA or A&M System in writing. PROVIDER is only permitted to use the education records for the purpose of fulfilling its obligations under this Agreement and shall restrict disclosure of the education records solely to those employees, subcontractors or agents who have a need to access the education records for such purpose. PROVIDER shall require any such subcontractors or agents to comply with the same restrictions and obligations imposed on PROVIDER in this Section, including without limitation, the prohibition on redisclosure. PROVIDER shall implement and maintain reasonable administrative, technical, and physical safeguards to secure the education records from unauthorized access, disclosure or use.

- D. **Export Compliance [If Applicable].** Each Party shall comply with U.S. export control regulations. If either Party desires to disclose to the other Party any information, technology, or data that is identified on any U.S. export control list, the disclosing Party shall advise the other Party at or before the time of intended disclosure and may not provide export-controlled information to the other Party without the written consent of the other Party. PROVIDER certifies that none of its personnel participating in the activities under this Agreement is a “restricted party” as listed on the Denied Persons List, Entity List, and Unverified List (U.S. Department of Commerce), the Debarred Parties Lists (U.S. Department of State), the Specially Designated Nationals and Blocked Persons List (U.S. Department of Treasury), or any similar governmental lists.

No employer-employee, partnership, agency, or joint venture relationship is created by this Agreement or by PROVIDER’s service to A&M System. Except as specifically required under the terms of this Agreement, PROVIDER (and its representatives, agents, employees and subcontractors) will not represent themselves to be an agent or representative of A&M System or A&M System. As an independent contractor, PROVIDER is solely responsible for its own taxes, withholdings, and other statutory or contractual obligations of any sort, including but not limited to workers’ compensation insurance. PROVIDER and its employees shall observe and abide by all applicable A&M System policies, regulations, rules and procedures, including those applicable to conduct on its premises.

Provider warrants that its Services do not infringe upon or violate any copyright, patent, trademark or other proprietary or intellectual property rights of any third party, and that its Services will be performed in a good and workmanlike manner, in accordance with the Agreement, and that the Services and deliverables will materially conform to the description in the relevant Order Form. Provider will re-perform any work not in compliance with this warranty brought to its attention within 6 months after the work has been performed.
- G. **Delinquent Child Support Obligations.** A child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under an agreement to provide property, materials, or services until all arrearages have been paid or the obligor is in compliance with a written repayment agreement or court order as to any existing delinquency. Under Section 231.006, *Texas Family Code*, PROVIDER certifies that it is not ineligible to receive the payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

PROVIDER under this Agreement may be applied directly toward certain debts or delinquencies that PROVIDER owes the State of Texas or any agency of the State of Texas regardless of when they arise, until such debts or delinquencies are paid in full.

- I. **Prior Employment.** PROVIDER acknowledges that Section 2252.901, Texas Government Code, prohibits A&M System from using state appropriated funds to enter into an employment contract, a professional services contract under Chapter 2254, or a consulting services contract under Chapter 2254 with individual who has been previously employed by A&M System during the twelve (12) month period immediately prior to the effective date of the Agreement. In the event A&M System becomes aware that PROVIDER has a NEFR Employee involved in any work being performed under this Agreement, A&M System will have the sole right to demand removal of such NEFR Employee from work being performed under this Agreement. Non-conformance to this requirement may be grounds for termination of this Agreement by A&M System.

- M. **Franchise Tax Certification.** If PROVIDER is a taxable entity subject to the Texas Franchise Tax (Chapter 171, *Texas Tax Code*), then PROVIDER certifies that it is not currently

PROVIDER agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation, providing all records requested. PROVIDER will include this provision in all contracts with permitted subcontractors.
- O. **Entire Agreement.** This Agreement constitutes the entire and only agreement between the Parties hereto and supersedes any prior understanding, written or oral agreements between the Parties, or "side deals" which are not described in this Agreement. This Agreement may be amended only by a subsequent written agreement signed by authorized representatives of both parties.
- P. **Severability.** In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions hereof, and this Agreement shall be construed as if such invalid, illegal, and unenforceable provision had never been contained herein. The Parties agree that any alterations, additions, or deletions to the provisions of the Agreement that are required by changes in federal or state law or regulations are automatically incorporated into the Agreement without written amendment hereto and shall become effective on the date designated by such law or by regulation.
- Q. **Survivability.**
The PROVIDERS's duties under this Agreement, Member specific agreement and/or purchase order, which impose an obligation after expiration or termination of this Agreement, will survive unless otherwise stated within the Member specific agreement and/or purchase order.
- R. **Headings.** Headings appear solely for convenience of reference. Such headings are not part of this Agreement and shall not be used to construe it.
- S. **Non-Assignment.** PROVIDER shall neither assign its rights nor delegate its duties under this Agreement without the prior written consent of A&M System.
- T. **HUB Subcontracting Plan.** It is the policy of the state of Texas and the Members to encourage the use of Historically Underutilized Businesses (HUBs) in our prime contracts, subcontractors, and purchasing transactions. The goal of the HUB program is to promote equal access and equal opportunity in Members contracting and purchasing.

If a subcontractor will be used to provide any commodity or service as part of the scope of this Agreement and/or a Member specific project, the PROVIDER may be required to make a good faith effort and complete the applicable Member HUB Subcontracting Plan (HSP).

For projects with the A&M System, contact Porschia Tolbert at so-hubprogram@tamus.edu for assistance in determining available HUB subcontractors and

proper completion of the HSP. For all other Member projects, contact the applicable Member HUB Program office for project specific requirements.

- U. **Force Majeure.** Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Agreement for failure or delay in fulfilling or performing any obligation under this Agreement if and to the extent such failure or delay is caused by or results from causes beyond the affected Party's reasonable control, including, but not limited to, acts of God, strikes, riots, flood, fire, epidemics, natural disaster, embargoes, war, insurrection, terrorist acts or any other circumstances of like character; provided, however, that the affected Party has not caused such force majeure event(s), shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure, including describing the force majeure event(s) and the actions taken to minimize the impact of such event(s).
- V. **Loss of Funding.** Performance by A&M System under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature"). If the Legislature fails to appropriate or allot the necessary funds, A&M System will issue written notice to PROVIDER and A&M System may terminate this Agreement without further duty or obligation hereunder. PROVIDER acknowledges that appropriation of funds is beyond the control of A&M System. In the event of a termination or cancellation under this Section, A&M System will not be liable to PROVIDER for any damages that are caused or associated with such termination or cancellation.
- W. **Governing Law.** The validity of this Agreement and all matters pertaining to this Agreement, including but not limited to, matters of performance, non-performance, breach, remedies, procedures, rights, duties, and interpretation or construction, shall be governed and determined by the Constitution and the laws of the State of Texas.

PROVIDER expressly acknowledges that A&M System is an agency of the state of Texas and nothing in this Agreement will be construed as a waiver or relinquishment by A&M System of its right to claim such exemptions, remedies, privileges, and immunities as may be provided by law, including the sovereign immunity of A&M System.
- Z. **Conflict of Interest.** PROVIDER certifies, to the best of their knowledge and belief, that no member of the A&M System Board of Regents, nor any employee of A&M System, has a direct or indirect financial interest in PROVIDER or in the transaction that is the subject of the Agreement.

If circumstances relevant to this provision change during the course of the contract, Provider shall promptly notify A&M System.
- FF. **Acceptance.** A&M System shall have the right to reject Deliverables by providing written notice within 15 business days after delivery identifying how the Deliverables fail to comply with their applicable specifications. If no such written rejection has been given, the Deliverable will be considered accepted.
- GG. **Compliance with Laws.** PROVIDER shall comply with all federal, state, and local laws, rules, and regulations applicable to the performance of its obligations under this Agreement.

Exhibit B – Pricing

1. Pricing Methodology

Option	How it Works
Deliverables based	Fee payments gated by client approval of deliverable work products or outcomes.
Milestones	Fee payments dependent on delivering work on time per agreed schedule.
CSAT	Portion of fees linked to client satisfaction survey (expertise of team, level of partnership, quality of outputs) taken by key executive sponsor.
Operational Metrics	Fees based on ability to drive improvements to key operational metrics and achieve upside by reaching a stretch target; metrics should be within the project's control and tied to the value case.
Value Identified	Fees linked to the magnitude of benefits agreed to be achieved by defined roadmap and set of execution steps; client pays once the roadmap is defined.
Value Committed	Fees linked to the magnitude of benefits expected to be achieved after we have executed the roadmap/initiative that enables the benefits; client pays once the roadmap/initiative is completed.
Value Realized	Fees linked to the magnitude of benefits achieved and measured post-execution of the roadmap; client pays once the value is realized.

Negotiating a fixed fee, deliverables-based contract tailored to the specific scope and requirements of a project will provide the best value, especially for large projects. We can potentially offer a tiered discount structure when there is a long-term, guaranteed scope of work agreed upon with an institution. The details would be specific to the engagement.

Accenture is constantly investing in data & analytic assets and accelerators, including AI, to help us deliver services more efficiently. We look forward to the opportunity to pass along cost saving uncovered through both automation and our evergreen education and public service industry expertise, solutioning best practices as well as value-based and/or volume discounts where there are cost saving benefits to be shared.
