Companies Engaging in Scrutinized Business Operations in Sudan

Updated Q4 calendar 2023

The United States government determination regarding Sudan as a State Sponsor of Terrorism was rescinded, effective December 14, 2020. Further, the United States government revoked the major components of all economic sanctions against Sudan and the Government of Sudan, effective October 12, 2017.

However, these changes do not authorize transactions that are prohibited under the U.S. Darfur Sanctions Regulations or related executive orders. Accordingly, the Comptroller's office continues to monitor for companies that meet the Texas statutory definition of a scrutinized company in relation to Sudan.
