C.2 Faculty Workload (See Procedure 12.03.99.K1.01)

General Statement of Faculty Teaching Load

Each full-time tenured, tenure-track faculty member, a person employed for instructional purposes, will teach classes and assume a reasonable workload of related activities to constitute a full-time instructional load normally construed to be twelve semester credit hours per semester, but this may vary at the discretion of Administration. Persons employed on a part-time basis from instructional funds are expected to assume a workload proportional to the percentage of employment from these funds. For purposes of workload calculation one semester credit hour is ordinarily the equivalent of one lecture hour per week. In some cases the contact hour equivalent may vary due to the nature of the required instructional activity.

Faculty members are expected to engage in those commonly accepted activities and duties which serve to enhance the teaching/learning process and the quality of the program with which they are involved. These activities and duties include classroom teaching; remaining current in their discipline through scholarly study; basic and/or applied research and/or performance; student advising and counseling; course and curriculum development; serving on department, college and university level committees; and assisting in the administration of the academic programs and other similar activities that are operated in the interest of the University.

A faculty member, teaching a full-time load, is expected to be available for a minimum of ten posted office hours per week for conferences with students and academic advising. In lieu of office hours, instructors of on-line courses are expected to make reasonable accommodations to be accessible to students.

Part-time faculty and faculty with assignments split between teaching and other duties are expected to be available on a pro-rated basis; i.e., one-half time teaching five hours per week; one-quarter time teaching two and one-half hours per week.

These activities and duties are of paramount importance in the life and work of a faculty member and are taken into account in considerations for promotion, tenure, and salary increases.

C.2.1 Classroom Teaching Credits

The type of instruction determines how each course is calculated as a part of a faculty member’s classroom teaching credits.

The various types of instruction include: (1) Classroom Lecture; (2) Laboratory; (3) Practicum, Student Teaching and Internships; (4) Seminar; (5) Independent Study (Special Problems); (6) Library Instruction; and (7) Research.

C.2.2 Classroom Teaching Credit Calculation

One Teaching Load Credit will be referred to as one TLC in the following:

1. Lecture and Seminar
   a. Undergraduate Courses - The lecture contact hour value of the course. A course listed as 3 hours lecture and 0 hours laboratory, 3 semester hours credit, yields a teaching credit of 3 TLCs. If the course is cross listed, or meets with another section, it is counted only once in determining the teaching credit received by the faculty member.

   b. Graduate Courses - The lecture contact hour value of the course, multiplied by 1.5 if the course is doctoral level. A doctoral level course
listed as (3-0) yields a teaching credit of 4.5 TLCs.

c. Three credit hour classes meet for 150 minutes per week.

2. For other Teaching Load Credit situations (laboratory instruction, kinesiology activities courses, art and music courses, drama laboratory, and independent study and research, for example), please refer to University Procedure 12.03.99.K1.01.

C.2.3 Other Duties/Course Release

C.2.3.1 Direct Instructional Activities

C.2.3.1.1 Supervision of Graduate Students

Chair, Master's Thesis Committee (Supervising Professor) or Chair, Doctoral Committee. For completion of five theses or five dissertations 3 hours of release time can be considered. That is, after a faculty member has supervised five theses, or five dissertations, the faculty member may receive a teaching load reduction of three-semester-hours for one semester, at a time deemed feasible by the chair.

C.2.3.1.2 Certain Teaching Situations

Teaching overloads are not encouraged during any semester. However, situations do arise in which a faculty member agrees or volunteers to teach more than 12 TLCs for programmatic reasons. In the event this situation occurs, efforts will be made to grant release time in a subsequent semester consistent with teaching requirements of the department. Any request for special funding of the release time must be approved by the dean and the Provost and Vice President for Academic Affairs.

Often opportunities present themselves to faculty and staff to utilize their expertise in situations outside their job. Faculty members receiving release time for programmatic reasons will not be considered for overload, off-campus teaching assignments. Employees generally can accept extra paying responsibilities if they are temporary, unrelated to their normal duties, and outside their regular work hours. Permission to perform outside employment can be obtained only through submission of the Faculty Outside Employment and Consulting Application and Approval Form. Exempt staff (administrative, professional) such as directors, deans, vice presidents, etc., on twelve-month contracts cannot receive extra compensation for extra assignments such as teaching, etc.

C.2.3.1.3 Teaching Program Development

Involvement in development of the teaching program by preparation of new course material, new teaching methods, and classroom or laboratory material or major curriculum development may be considered for release time as determined by the chair, academic dean and Provost and Vice President for Academic Affairs, but will not exceed 3 semester credit hours.
C.2.3.2 Administrative Assignments and Other Professional Assignments

Department Administration. Department chairs receive 6 hours of release time during long semesters and are eligible for 1.5 months administrator pay during the summer.

Supervision of Graduate Teaching Assistants. See Procedure 12.03.99.K1.01.

C.2.3.3 Research (See Appendix II)

See also Section G, Research.

C.2.3.4 Committee Assignments

Chair, Faculty Senate. The Chair of the Faculty Senate will receive a three hour teaching load reduction each long semester.

Chair, major university or college committee. If the nature of the assignment is such that the demands on the time of the chair will be excessive, a three hour teaching load reduction may be granted during a long semester as determined by the appropriate academic dean and the Provost and Vice President for Academic Affairs.

C.2.3.5 Other Assignments Directly Related to the Teaching Function

Assignments as approved by the appropriate academic dean and the Provost and Vice President for Academic Affairs. Teaching load reductions will be determined by the nature of the assignment.
Board Approved

Rule Statement

This Rule is established to provide guidelines regarding the workload for faculty. The assignments will be implemented only as institutional resources are available, with teaching loads having the first priority.

Reason for Rule

This Rule documents the regulations and standards for the interpretation of institutional workload requirements, and for the range of acceptable assignments within its definitions of faculty workload. This Rule is required by System Policy 12.03 Faculty Academic Workload and Reporting Requirements.

Official Rule/ Responsibilities/ Process

1. GENERAL

1.1. To support the mission of Texas A&M University-San Antonio, members of the faculty perform their classroom duties and carry out a variety of essential functions. As part of their regular faculty responsibilities, faculty members are expected to satisfactorily perform the following functions: academic advising; supervision of undergraduate and graduate students; direction of individual studies, theses, and dissertations; leadership in curriculum development; participation in school and University governance; scholarship; and participation in professional activities, community activities, and special projects of the University.

1.2. Acknowledging the diverse responsibilities of its faculty, the University supports an equitable and reasonable workload assignment system. The University follows the guidelines described below and in TAMU-SA Procedure 12.03.99.01.01 Faculty Workload Procedure, which specifies the amount of workload credit that may be granted for various faculty assignments.

1.3. The academic workload standard for full-time faculty members is four 3-semester credit hour undergraduate courses per long semester. Courses are assigned for direct instruction and for a variety of instructionally related administrative, scholarly, and service activities. Any adjustments to this standard must comply with System Policy 12.03 Faculty Academic Workload and Reporting Requirements.
1.4. Due to the differences in scope and responsibility of work assignments of full-time versus part-time faculty members (scholarship and service), part-time faculty members are assigned a 20% teaching load for each 3 semester credit hour course assigned. If they are assigned 6 semester credit hours of course instruction, they will be credited with 40% teaching load, and so on.

1.5. Assignments of non-instructional workload credit are made by the school head of each school on the basis of recommendations made by the appropriate department chair in consultation with the departmental faculty. Non-instructional workload assignments greater than two courses require the approval of the Provost and Vice President for Academic Affairs.

2. CREDIT-GENERATING DIRECT INSTRUCTION

2.1. Direct teaching activities include but are not limited to the following:
   2.1.1. Instruction of lecture and seminar courses;
   2.1.2. Laboratory and clinical instruction, music ensemble, and studio art;
   2.1.3. Supervision of student teachers, and graduate students in graduate programs such as counseling, leadership, and similar tutorial-types of programs;
   2.1.4. Private music lessons;
   2.1.5. Chairing master's thesis committees;
   2.1.6. Chairing doctoral dissertation committees;
   2.1.7. Teaching a practicum as a group course; and
   2.1.8. Team teaching.

2.2. Guidelines for assigning workload credits for these activities are provided in TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload Procedure.

3. ADMINISTRATIVE ASSIGNMENTS

3.1. Faculty members may receive academic workload credit for administrative assignments. The amount of workload credit for administrative duties that a faculty member receives is dependent upon the complexity of the department or program, the assigned duties of the position, and the number of faculty members or students supervised. Positions in which a faculty member is given an administrative, supervisory, or coordinative assignment directly related to the instructional programs and purposes of the University include: assistant school head, chairperson of a department or director of a school, coordinator of a disciplinary area, and coordinator or director of a center, a program, or a clinic. For additional information, see TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload Procedure.

4. NON-ADMINISTRATIVE ACADEMIC ASSIGNMENTS

4.1. Academic workload credit may also be given for non-administrative academic assignments, including instructionally related activities, scholarship, service, and other academically related assignments. No faculty member may accrue workload credits for "banked" credit in subsequent semesters without prior approval by the Provost.
4.2. During the academic year, a faculty member, with the approval of the department chair and school head, may request possible academic workload credits for non-administrative reasons including:

4.2.1. Instructionally related activities,
4.2.2. Scholarship,
4.2.3. Service, and
4.2.4. Special circumstances. Below is an explanation of the types of activities included in each of these categories. Specific guidelines on the amount of workload credit allowed for the various activities are provided in TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload Procedure

4.3. Instructionally Related Activities:
Adjustments to workload credits may be allowed for various instructionally related assignments, including teaching assignments that include additional responsibilities. This category includes but is not restricted to:

4.3.1. Teaching large classes, especially those with writing assignments, essay tests, or similar complex tasks or that involve supervision and coordination of teaching assistants, graders, or of multiple laboratory or discussion sections;
4.3.2. Developing new degree programs, conducting major curriculum revisions, or developing new courses;
4.3.3. Developing distance learning courses, as discussed in TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload Procedure;
4.3.4. Teaching field-based courses in Education;
4.3.5. Coordinating student advising; and
4.3.6. Coordinating student internships, practicum, and field work placements.

4.4. Scholarship
4.4.1. Academic workload credit may be assigned for research/intellectual contributions/creative activity. Faculty granted academic workload credit for these activities must demonstrate progress in their efforts at the end of each semester of the workload credit. Peer review is necessary for any work to be deemed as scholarship for purposes of academic workload credit.
4.4.2. Academic workload credit may be provided for certain activities related to scholarship, such as preparation of a major research grant or contract proposal. Also, a faculty member may receive academic workload credits when external grants fund his or her salary. Finally, a new faculty member may receive academic workload credit to establish a research agenda and develop courses.

4.5. Service
4.5.1. A faculty member may receive academic workload credit for extraordinary service at the University, in the academic discipline, and/or to the public. (See Section 4.3 of TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload Procedure for examples.)

4.6. Special Circumstances
4.6.1. The President may grant academic workload credit for special presidential assignments.
4.6.2. With the consent of the Provost and Vice President for Academic Affairs, a school head may grant academic workload credit for reasons not described in this rule.
5. MONITORING WORKLOAD

5.1. School Responsibilities and Procedures
   5.1.1. Within the framework of University workload rules, each school, with
           formal advice from and by majority vote of the faculty, will develop
           procedures for assigning academic workload credit.

5.2. The ultimate responsibility for ensuring compliance with workload rules and
      equity across the school lies with the school head.

5.3. University Responsibilities
   5.3.1. The Provost and Vice President for Academic Affairs has final responsibility
           for the approval of academic workloads in conformity with University rules and
           procedures and system policies. As the designated officer of the university, the
           Provost has ultimate responsibility for ensuring workload equity. Each semester, the
           Provost is responsible for submitting required reports to the system and the Texas
           Higher Education Coordinating Board regarding workload compliance.

6. REQUESTS FOR REVIEW OF ACADEMIC WORKLOAD ASSIGNMENTS
   6.1. Texas A&M University-San Antonio recognizes the right of faculty members to
         request a review of workload assignments before a panel of peers. For details about
         the review process, see TAMU-SA Procedure 12.03.99.O1.01 Faculty Workload
         Procedure.

Rule Statement

This rule establishes the faculty workload standards and procedures as well as the conditions under which the workload of faculty may be adjusted.

Reason for Rule

The purpose of this rule is to provide details, including operational and reporting responsibilities, regarding the faculty workload expectations at Texas A&M University-Texarkana.

Procedures and Responsibilities

1. TEACHING LOAD – (See System Policy 12.03 Faculty Academic Workload and Reporting Requirements)

2. EVALUATION OF TEACHING LOAD

   2.1. The College Dean shall monitor and evaluate the workload of individual faculty members in his or her college to ensure compliance with this rule and approve and submit any teaching course load reduction requests to the Provost and Vice President for Academic Affairs (Provost/VPAA), designated by the President to authorize final approval. The President, Provost/VPAA, and College Dean shall ensure that academic and related duties are assigned equitably within the college.

   2.2. The Academic Program Coordinator shall monitor the workloads of faculty within his or her department or program to ensure compliance with the University’s workload requirement and provides notice to the respective College Dean of all faculty members not in compliance with the University’s workload requirement.
3. MAXIMUM TEACHING LOAD

3.1. The maximum full-time fall and spring semester teaching load for all university tenured or tenure track faculty teaching any combination of undergraduate and graduate courses is 12 semester credit hours (12 SCH) of organized classes for each semester. The exception to this maximum is the inclusion of no more than two 4 SCH mathematics course(s) in a faculty’s semester load that would result in a 13 or 14 SCH load. The maximum full-time fall and spring semester teaching load for all university tenured or tenure track faculty teaching only doctoral courses is 9 SCH for each semester. Faculty teaching in a doctoral program may not elect to teach an overload during any semester. The maximum full-time fall and spring semester teaching load for all clinical faculty is 15 SCH of classroom teaching per semester. The load for combined summer terms for all full-time faculty is no more than 6 SCH. Section 3.2.8 of this Rule describes the only exception to these maximum teaching loads.

3.2. The respective College Dean, with approval from the Provost/VPAA, may reduce a faculty member’s teaching load by replacing one or more course assignments with any of the following:

3.2.1. Newly Employed Tenure Track Faculty—The College Dean may approve a course load reduction for a tenure track faculty member (with little or no prior full-time teaching experience) for up to two long semesters after employment.

3.2.2. Administrative Assignments—Administrative assignments that directly supplement the teaching function such as, but not limited to, heads of teaching departments and coordinators or directors of academic programs may be considered for course load reduction(s) or another type of compensation.

3.2.3. Direct Instructional Activities—Activities which include interaction with students related to instruction, preparation for such instruction, or evaluation of student performance may count for part of a regular teaching load. These may include, but are not limited to, supervision or coordination of laboratories or lectures utilizing teaching assistants, practica, internships, clinical assignments, or alternative learning activities.

3.2.4. Independent Study Courses—Upon prior approval by the College Dean, independent study courses (identified as 489 and 589) may be translated into equivalent course semester credit hours (for the purpose of measuring teaching loads). The College Dean shall collect and maintain all data necessary to document such credit.

3.2.4.1. For 30 SCH of graduate credit accumulated by a faculty member in independent study courses, a credit of 3 SCH of course load reduction may be awarded.
3.2.4.2. For 45 SCH of undergraduate credit accumulated by a faculty member in independent study courses, a credit of 3 SCH of course load reduction may be awarded.

3.2.4.3. When combining undergraduate and graduate courses to equal a course reduction, graduate SCH may be converted to undergraduate SCH by using a multiplier of 1.5.

3.2.4.4. All contact hour equivalent credit accrued via independent study courses may be applied during the semester in which the total credit for independent study reaches the minimum amounts indicated in 3.2.4.1 and 3.2.4.2 above, or within the next two academic years.

3.2.4.5. With approval from the College Dean, a faculty member may choose to convert accrued independent study SCH into financial compensation at the rate of $500 per graduate independent study course and $333 per undergraduate independent study course.

3.2.5. Research and Creative Activities—Although scholarship is expected of all tenured/tenure track faculty in addition to carrying a maximum teaching load as defined in 3.1 of this rule, limited faculty teaching and load credit may be granted for major scholarship activities, including conducting research that leads to publication and the development of creative works. Faculty teaching in a doctoral program are expected to develop and maintain a rigorous research agenda approved by the College Dean. Additional activities may be required by the College Dean based on the doctoral program discipline.

3.2.6. Graduate Research Supervision—The following table shall be used to assign teaching load credit to tenured/tenure track faculty providing graduate research supervision:

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Number of Students Supervised</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>1</td>
</tr>
<tr>
<td>Member, Master’s Thesis Committee</td>
<td>.25</td>
</tr>
<tr>
<td>Chair, Master’s Thesis Committee</td>
<td>.75</td>
</tr>
<tr>
<td>Member, Doctoral Dissertation Committee</td>
<td>.75</td>
</tr>
<tr>
<td>Chair, Doctoral Dissertation Committee</td>
<td>1</td>
</tr>
</tbody>
</table>
Teaching credit accrued via this process may be applied during the semester in which sufficient credit is earned to substitute for one or more courses or in the immediate next long (spring or fall) semester, as approved by the College Dean.

3.2.7. **Other Projects**—Other projects that occur during an academic year may be considered as part of the faculty workload as requested by the College Dean and approved by the Provost/VPAA. These include, but are not limited to, major academic advisory activities, preparation of major documents (e.g., program and/or research grant proposals) in the fulfillment of programmatic needs or accreditation requirements, and for performance of duties in the best interest of the institution’s instructional program.

3.2.8. The faculty who are assigned by the College Dean to teach more than the maximum load during any semester may do so as an overload and will be provided additional compensation in the amount of $1,666 for each SCH or $5,000 for a 3 SCH course. Overloads, including courses taught during a mini-term (May or January) may be “banked” and credited toward a faculty’s teaching assignment during the immediate next long (spring or fall) semester.

3.3. All requests for teaching workload reductions shall be initiated by the faculty on form “Faculty Teaching Workload Reassigned Time Request Form” and submitted to the respective College Dean on a timeline that allows the completed request (with College Dean approval) to be submitted to the Provost/VPAA for final approval no later than the published deadline for each semester. All requests, including those related to the cancellation of classes during the spring or fall terms, submitted after these deadlines will be considered on an individual basis via discussion between the College Dean and Provost/VPAA. Teaching course load reductions related to the cancellation of summer classes will not be considered.

3.4. A report of activities and a copy of any deliverables (e.g., professional article) for the reduced teaching load in a given semester will be due to the respective College Dean no later than 15 days after the last class day of the semester.

4. **INSTITUTIONAL WORKLOAD RULE DEVELOPMENT AND REVISION**

The President delegates the responsibility of recommending revisions to this rule to the Provost/VPAA who may assign to or seek the assistance of additional personnel (including faculty) and advisory bodies, as well as advice from legal counsel, as needed. Any revisions of 12.03.99.H1 will be reviewed by the Administrative Council and approved by the President prior to submission to the System office for final approval by the Chancellor and Board of Regents.
5. REPORTS REQUIRED

5.1. The Registrar shall collect, analyze, compile, and consolidate data necessary to generate the Faculty Report (CBM-008) required by the Texas Higher Education Coordinating Board (THECB) and the Faculty Workload Report as referenced in sections 5.1 and 5.2 of System Policy 12.03. The Registrar shall submit all related reports to the Provost/VPAA for review prior to submission to the President for approval and then to the Chancellor and THECB. The standard reporting format and deadlines as provided by the THECB will be followed.

5.2. (See System Policy 12.03 Faculty Academic Workload and Reporting Requirements)

**Notes:**
- The table includes detailed financial information for various programs under the McNair Scholars, Talent Search, Upward Bound, and CAMP initiatives.
- Each entry shows the beginning balance, revenues, allocations, expenditures, increase (decrease), and ending balance for each fiscal year.
- The data is organized to reflect the financial performance of each program, including revenue sources and expense categories.
- The table provides a clear overview of the financial status and changes for each account description listed.
- The table is designed to facilitate understanding of the financial implications and operational details related to each program.
## FY 2015 Operating Budget

WTAMU Faculty Handbook

B. Teaching

1. Teaching Assignments
   a. Small Classes

   The Texas Higher Education Coordinating Board defines small classes as organized undergraduate
   classes having fewer than 10 regularly enrolled students and organized graduate classes having fewer than
   5 regularly enrolled students. Small classes are subject to cancellation, which may necessitate a
   reassignment for faculty members involved.

2. Teaching Loads

   Faculty members are assigned teaching loads by their respective department heads. A full-time
   teaching load is normally 12 adjusted contact hours and may be as much as 15 if not combined with other
   duties. In addition to teaching, scholarly activity/creative work and professional service where appropriate,
   other duties considered as faculty assignments include, but are not limited to, student advisement and
   various committee assignments.

   I. Faculty Teaching Load

      A. All departments should plan to offer classes as large as is suitable for the content area and the
         mode of instruction. Department heads have the responsibility to section courses—including
         online courses—to ensure manageable class size and to maintain quality instruction. University
         core courses and individual college requirements may most easily lend themselves to large
         enrollments.

      B. More than one section of advanced courses should not normally be offered unless enrollment
         totals and scheduling needs warrant the offerings. Graduate sections should be as large as
         suitable for the particular instruction involved.

      C. As a general rule, off-campus classes should be planned for enrollments that will generate
         revenue that equals all costs associated with teaching the course. For undergraduate and
         graduate courses, a minimum of 20 and 10 students, respectively, should be the goals.

      D. Minimum class size as required by statute is ten undergraduate students and five graduate
         students. Approval must be granted for any exceptions to this requirement.

      E. In departments that offer classes that are relatively “small” but above the minimum class size,
         some faculty may need to teach above-normal loads and/or larger classes to generate the
         necessary student semester hours for funding purposes.

   II. Calculations in Support of Faculty Teaching Loads

      A. A teaching load of 12 adjusted contact hours is expected of full-time tenured/tenure track
         faculty and non-tenure track/temporary faculty who have elected to conduct
         research/scholarship/creative activity; a teaching load of 15 adjusted contact hours is expected
         of non-tenure track/temporary faculty without research activity.

      B. Credit for organized courses (lecture, lab or seminar).

         Adjusted Contact Hour

         Type of Course, Organized       (ACH)
         1 lecture contact hour
         • Undergraduate, under 75 students 1.00
         • Undergraduate, 75-89 students 1.33
         • Undergraduate, 90-114 1.67
         • Undergraduate, greater than 114 2.00
         1 WTCR class undergraduate credit hour, 1.17  (first time taught)
         1 WTCR class graduate credit hour, 1.25  (first time taught)

August 2012
Faculty Responsibilities

1 laboratory contact hour 0.50
1 clinical contact hour (organized) 0.67
1 studio contact hour (art or dance) 0.67
1 lecture contact hour 1.17 (5000 or 6000 level)
1 lecture contact hour 1.25 (7000 or 8000 level)

NOTE: Department heads may request reassigned time, sectioning or some other means to assist faculty in large WTClass courses.

C. Credit for music performance organizations (ACH = Contact Hours).

<table>
<thead>
<tr>
<th>Type of Course</th>
<th>Total ACH</th>
</tr>
</thead>
<tbody>
<tr>
<td>Primary performance</td>
<td>5.0 (marching band, symphonic band, chorale, orchestra)</td>
</tr>
<tr>
<td>Secondary performance</td>
<td>3.0 (collegiate choir, concert band)</td>
</tr>
<tr>
<td>Summer performance organizations</td>
<td>2.0</td>
</tr>
</tbody>
</table>

D. Credit for non-organized courses (practicum, independent instruction, thesis/dissertation, readings, applied music, etc.)

<table>
<thead>
<tr>
<th>Type of Course, Non Organized</th>
<th>Adjusted Contact Hour Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>(Per Student, Per Credit Hour*)</td>
</tr>
</tbody>
</table>

Readings/Problems
• Undergraduate (and Honors Thesis) 0.10
• Masters 0.20
• Doctoral 0.25

Practicum 0.17
Student Teaching 0.50 per student**
Applied Music 0.667

Applied Music per contact hour
1 SCH = 0.5 CH x weight
2 & 3 SCH = 1 CH x weight

Master’s Thesis 0.25
Doctoral Dissertation 0.33

*Weight x Credit Hour(s) x Number of Students = ACH
**Weight x Number of Students = ACH

Note: In any given semester, a faculty member may accumulate no more than 3.00 adjusted contact hours (ACH) in combination of practicums, readings, problems, theses/dissertations, and independent studies. This limit of 3.00 ACH does not apply to MUAP enrollments for music faculty. A student’s honors thesis may only count toward a faculty member’s load for one semester, a master’s thesis for two semesters and a doctoral dissertation for four semesters. Exception to this limitation must be approved by the department head and academic dean.

E. Faculty members may accumulate excess teaching load during long semesters. The accumulated excess load is not limited by academic or fiscal year, but no more than 3 ACH of accumulated load may be used to apply for reassigned time in any given semester. When a faculty member’s load reaches an excess of 3 ACH and resources permit, consideration by the department head for reassigned time may be given. The excess 3 ACH load must be used within 24 months of reaching 3 ACH or the total accumulated excess load will decrease by 3 ACH. Excess accumulated load continues to accrue but will be decreased by 3 ACH after the 24-month period, whether or not the 3 ACH excess load was used for reassigned time.

F. Faculty members may be credited only for laboratory, practice or studio sections they personally teach.

G. A faculty member may teach only one specially scheduled course at one time during a semester or term. (Specially scheduled classes are organized classes that have a specific schedule different in at least one respect from regularly scheduled classes.) During any semester or term a faculty member may teach up to an effective teaching load of 24 ACH for as long as three weeks, so long as during the rest of the semester or term the faculty member does not teach an overload. Exceptions must be administratively approved.
H. In order to facilitate unique instructional experiences that utilize multiple faculty members, departments may, while avoiding additional expense to the University, approve team teaching or shared instruction assignments. For team teaching, full load credit may be given each of the instructors in those cases where all instructors are present during all class periods and are actively participating in instruction. In those cases where responsibility for instruction is divided among a number of faculty members (shared instruction), each instructor shall receive credit for that portion of the load for which the faculty member is responsible.

I. A faculty member teaching correspondence courses may be responsible for no more than 14 correspondence students at any given time. Correspondence courses are not considered when calculating load.

J. Opportunities for summer teaching may exist at the discretion of the department head. The equivalent of a normal teaching load for full-time tenured, tenure-track and non-tenure track faculty who have elected to conduct research in a summer term is 6 ACH; non-tenure track/temporary faculty without the research component, 7.5 ACH. Faculty with less than twelve-month appointments may not accumulate load credits during the summer nor may they use accumulated load credit in the summer terms for reassigned time.

K. Normal teaching load for teaching assistants and for graduate assistants who teach is 6 ACH. Any deviation requires prior administrative approval. Teaching assistants and graduate assistants do not accrue teaching load credits.

L. For a part-time instructor, the load will be proportional to the fraction of a full-time appointment assigned to the individual (e.g., 0.20, one three-semester-hour class during a semester). Part-time faculty do not accrue teaching load credits nor may they receive or use reassigned time.

M. Special requests beyond those outlined above may be recommended by the appropriate dean and must be approved by the provost/vice president for academic affairs before being granted (e.g., serving as department head, coordinating multi-section lecture courses, coordination of programs, supervision and training of teaching assistants, etc.).

Note: The table above shows the beginning and ending balances for various accounts, along with revenue, net allocations, and expenditures for the fiscal year 2015. The data includes details for different departments and expenses, such as salaries, benefits, utilities, and other operational costs. The net change for each account is calculated by subtracting the expenditures from the revenues and allocations.
