

Exceptions to the Licensed Carry of Concealed Handguns at Texas A&M Engineering Experiment Station

In accordance with state law, the licensed carry of concealed handguns will be allowed at Texas A&M Engineering Experiment Station beginning on August 1, 2016. After consulting with students, staff members, and faculty, the following exceptions were proposed that take into account specific safety considerations of the Texas A&M Engineering Experiment Station environment. The proposals were reviewed by the Texas A&M System Office of General Counsel, approved by the Chancellor for submission to the Board, and were considered and accepted by the Texas A&M System Board of Regents on April 27, 2016.

- Any agency premises leased by the agency to a third party, if the third party determines to prohibit the concealed carry of handguns on the premises and provides effective notice pursuant to Section 30.06, Penal Code
