What is the State Employee Charitable Campaign (SECC)?

HISTORY

The SECC was created by legislation in 1993. The first campaign was conducted in 1994, which offered Texas state employees greater giving options with hundreds of charitable choices.

The SECC is a great opportunity for state employees to contribute toward helping improve the quality of life for tens of thousands of individuals who need our support.

The workplace charity campaign provides state employees with a convenient and efficient way to make voluntary, tax-deductible contributions to charities through payroll deduction, cash, or check.

In our diverse society, with needs changing rapidly, the SECC is your opportunity to show that you want to make a difference in the lives of others. Together we can make a difference in the lives of our family, friends, and neighbors across the great state of Texas and across the country.

THE SECC ADVANTAGE

There is no easier way for state employees to give to a charitable cause of their choice than through the SECC. Here’s why the SECC is the smart way to give:

Choice!
No other charitable campaign offers so many choices. There are over 400 approved organizations to choose from. You decide which organizations best address your concerns.

Confidence!
All agencies participating in the SECC must meet strict eligibility standards established by state law and are screened by the SECC State Policy Committee. Therefore, you can feel confident your gift is being used efficiently and effectively by your designated charities.

Convenience!
For A&M System employees, the convenience of online payroll deduction allows you to donate the amount you designate on a monthly basis without the hassle of writing checks or mailing donations. For those who prefer, an additional option exists for employees to make a one-time donation online, to be made on the first payroll of the new calendar year.

The SECC encourages you to take advantage of the online payroll deduction as a convenient method for giving.
How is the SECC managed?

UNITED WAY OF THE BRAZOS VALLEY
United Way of the Brazos Valley oversees the campaign at the local level for the several counties in the Brazos Valley area. As the Local Campaign Manager (LCM), they ensure the campaign is conducted fairly and equitably under a strict set of guidelines. The president/Chief executive officer of United Way of the Brazos Valley and the board of directors, made up of community members, ensure financial and practical management which reflects Brazos Valley values.

UNIVERSITY & SYSTEM CAMPAIGN CHAIRS AND MANAGERS
All agencies and institutions in The Texas A&M University System participate in the SECC. Because of the size of the work force in the College Station area, the campaign is divided into two parts. For the Texas A&M University campus, the campaign is chaired by an employee of the university. A separate campaign is administered for the A&M System agencies located in the College Station area and is chaired by an employee of the A&M System Offices. There exists a campus and a system campaign manager to assist in the administration of the two campaigns.

The chairs and managers coordinate campaign activities and provide training and materials to the area and unit coordinators. The managers also maintain a close relationship with the area coordinators throughout the campaign to answer questions which may arise.

AREA COORDINATORS
Department heads from the university and the chief executive officers of the system agencies appoint an area coordinator to conduct the campaign for each division/group area. The area coordinator works closely with the university/system managers to ensure the success of the campaign. They also serve as a trainer, motivator, facilitator, and resource for the unit coordinators. They distribute materials to their area employees, collect weekly report forms, and serve as a line of communication between employees and campaign leadership.

UNIT COORDINATORS
Unit coordinators are appointed by each area coordinator to further assist with departmental level campaigning. The unit coordinators are responsible for educating individual employees about the SECC and providing all the materials necessary for participation. They are responsible for collecting the necessary paperwork each week and processing it in accordance with established guidelines.

FINANCIAL MANAGEMENT OPERATIONS
Texas A&M University Financial Management Operations (FMO) has developed guidelines for collecting and depositing donations to ensure proper controls over employee paper and electronic donations. Representatives are available to answer questions as necessary. All cash and check donations made during the course of the campaign should be processed through these established procedures.
How Do I Participate?

ONLINE CONTRIBUTIONS → https://sso.tamus.edu

Employees should be strongly encouraged to participate via the SECC application available through the A&M System Single Sign-On portal → https://sso.tamus.edu. From this SECC application, employees may submit authorization for payroll deductions each month or a one-time donation.

The SECC application will also allow employees to make an immediate one time donation outside of a payroll deduction, for those who wish to use this mechanism.

COMPLETING THE AUTHORIZATION FORM

Employees may also participate in the campaign by designating the amount of funds they wish to donate and the charitable organization(s) they would like to support on the SECC Authorization Form.

Employee Information

Employees complete the top portion of the form with the following information:
- Employee’s last name, first name, and middle initial
- Mailing address
- E-mail address
- On the university line, please indicate if you are a Texas A&M University or A&M System employee
- College, division or agency; department and work phone

Acknowledgement

The employee’s gift will remain anonymous unless they complete this section. A home mailing address is required for their gift to be acknowledged.

HOW I WISH TO DISTRIBUT MY GIFT

Employees select the charities they will support from the SECC brochure or the SECC directory. They may designate a single recipient or up to six different agencies from any three charitable groups. The first 2 digits in the agency 6-digit number identify the charitable groups.
PAYMENT OPTIONS

There are several payment options available to all employees.

Payroll Deduction (Paper or Online)  →  https://sso.tamus.edu

Payroll deduction is the easiest way to participate in the SECC. The “total monthly gift” represents the total monthly deduction. Employees will select 9 or 12 pay periods for the payroll deduction (based on their 9 or 12 month employee status). The “total annual gift” is calculated by adding the total contributions for each designated charity and multiplying this total by 9 or 12.

- Fill out the Authorization Form indicating the desire for payroll deduction (Either paper or online @ SECC website).
- Identify the organization(s) you would like to support and fill out that portion of the Authorization Form. See instructions on filling out the form found on page 16.
- Determine desired monthly deduction for each agency chosen. The minimum monthly deduction is $2 per charity.
- Sign, date and provide UIN for payroll deduction.
- Retain the PINK copy for personal records and submit the WHITE and YELLOW copy to the unit coordinator.

Please Note:
- Monthly paid employees will have their deductions start in December and will be reflected in the January paychecks (of the new calendar year).
- Bi-weekly paid employees will have their monthly deduction taken from the second paycheck each month, starting in January.
- Payroll deductions can be stopped at any time by contacting the payroll office.
- Deductions are made after taxes.
- The employee must sign and date the form and provide their UIN number to authorize payroll deduction.

In addition, an option exists for a one time payroll deduction to be made for those who choose to use this option. All of the items noted above apply, with the deduction being made on the checks with a January pay date.

One-Time Gift – Cash, Check, or Online

Check the circle for cash/check and indicate the total amount of the one-time contribution. Designate which charitable organizations should receive the donation by writing in the appropriate codes in the charitable group boxes.

- Use of the Paper Authorization Form or the option available from the SECC application through Single Sign-On
- Fill out the Authorization Form (indicate a One-Time Gift).
• Identify the organization(s) they would like to support and fill out that portion of the Authorization Form. See instructions on filling out the form found on page 13.

• Retain the PINK copy as their receipt and submit the YELLOW and WHITE copy (with their cash or check made out to SECC) to the unit coordinator.

*Make checks payable to SECC* and attach the check or cash to the pledge authorization form with a paperclip. **Please do not use staples.**

**LEADERSHIP GIVERS (Donors of $1,000 or more)**

Leadership giving is optional for donors of $1,000 or more. If a donor makes a donation of $1,000 or more and chooses to be acknowledged, the donor’s name will be put in an area wide thank you advertisement and listed in the Campaign Directory the following year under their level of leadership giving. (Note: If both spouses are employees and would like to make separate donations, the donations can be combined to meet the Leadership Giving required donation of $1,000 or more. This would need to be coordinated between the employees’ unit coordinators. The unit coordinators would make a note on both employees’ authorization forms and should turn in the forms the same week in the campaign. This makes it easier for the United Way to combine the donations.)

**FUNDRAISING EFFORTS**

Fundraisers can be fun, and they are a great way to bring in extra donations.
