Wounded Warrior Project
Campus Services Program
To honor and empower wounded warriors.
To foster the most successful, well-adjusted generation of wounded service members in our nation’s history.
Wounded Warrior Project - Purpose

- To raise awareness and enlist the public's aid for the needs of injured service members.
- To help injured service members aid and assist each other.
- To provide unique, direct programs and services to meet the needs of injured service members.

woundedwarriorproject.org
Campus Services will fulfill the Wounded Warrior Project mission, vision, and purpose through engagement with institutions of higher education and warriors attending higher education leading to warriors’ economic empowerment.
1. Provide expertise in advising and advocacy for wounded warriors seeking information about and access to higher education, empowering them to achieve economic success.
2. Establish and support relationships with institutions of higher education, teaching and helping the institutions to more effectively serve warriors from pre-matriculation through graduation.
3. Bring WWP programs to institutions of higher education to provide additional opportunities for engagement and support. Campus Services will provide information, resources, advising, and referrals to wounded warriors and educators in support of warriors pursuing higher education.
• Enact a campus-wide collaborative committee focused on veterans’ issues on campus.
• Provide disability and counseling services support educated about veterans’ physical disabilities and combat stress injuries.
• Implement academic support services for remedial deficiencies.
• Deliver career services attuned to the challenges of veteran hiring.
• Employ faculty and staff who are educated about veteran-friendly teaching and advising practices.
How Can Campus Services Help Your Institution?

- **Build campus cohesion and change campus culture to increase support for student veterans.**
- **Educate faculty, staff, and administrators about the unique needs of veterans in higher education and how to meet their needs.**
- **Create opportunities for student veterans to learn together.**
- **Engage student veterans to generate support, advocacy, and education on behalf of each other.**
- **Develop knowledge of policies and best practices in key disciplines.**
- **Make referrals to other WWP programs for assistance.**
