3. Sending a payment without verifying that a debt exists or including the payment stub from the DMC letter will delay application of your payment
The Treasury Offset Program (TOP)
What is TOP?

- A centralized offset program managed and operated by the Department of Treasury’s Financial Management Services (FMS)

- Federal agencies are required by law to submit delinquent debts to TOP

- TOP offsets payments based on a payee’s taxpayer identification number (TIN) and name

- Pursuant to regulations governing TOP, all subdivisions or organizations sharing a single TIN are responsible for all debts associated with that TIN

- Before submitting a debt to TOP, a creditor agency must certify that the agency complied with all the due process pre-requisites prior to offset
TOP Offset Process

1. DMC provides debtor 60 days notice
2. DMC refers debt to TOP
3. TOP offsets payments based on debtor TIN
4. TOP sends debtor Notice of Offset letter
5. TOP sends offset funds to DMC
6. DMC applies offset funds to debt
Information Sources

TOP can provide:

– Offset information by TIN, including lists of offsets

Schools may contact TOP by calling the TOP Call Center:

– At least one of the following:
  1. the date of the payment
  2. the amount of the original payment
  3. the amount of the offset

How can a school pay a tuition debt assessed to a student?

If the DMC receives a payment from a school, in order to apply it to a student debt we must receive one of the following with the check:

1. The remittance stub for the student debt
2. A letter specifically stating that the school wants to pay the student debt

PLEASE NOTE: If there is no school debt and DMC receives a payment from a school without one of the above items, or if the payment DMC receives for the student is for more than the amount of the student debt, the payment will be forwarded to Muskogee for processing.
How do I Submit a Dispute or Inquiry to DMC?

• Emailing dmcedu.vbaspl@va.gov is the best method for submitting a school debt dispute or inquiry

• Please include the following information in your email:
  – The student’s First Initial, Middle Initial, and last Name
  – The last four digits of the student’s File Number or SSN
  – Your school’s name and facility code
  – The debt amount you are disputing/inquiring about
  – A detailed explanation
What Happens When DMC Receives My Dispute?

• If DMC can address the dispute or inquiry, we provide a response

• If a review by the RPO is needed, we forward your dispute/inquiry to the RPO for review

• Collection action on the account is suspended until the dispute is resolved, unless the account has already been referred to the Treasury Offset Program (TOP)

• Once the RPO notifies us that their review is complete, we contact you regarding their findings and any change in collection status

• Responses from the RPO should be received within 30 days. Disputes are tracked by DMC on a recurring basis
Can I Send One Check for Multiple Students?

- Yes, however, you should send the remittance stubs with your payment and a list with the file numbers and dollar amounts the check covers.

- Make sure that the check you send totals the amount of debts to which you wanted applied.

- If you send funds and DMC does not know what debt to apply them to, DMC may have to return the check to you.
What if I have funds to return but no school debt?

1. Review the reasons that debts are established for schools and verify that certifications are up to date

2. If the SCO Handbook indicates the debt should **not** be assessed to the school, your school should follow its internal guidelines for issuing a refund to the student

3. If the SCO Handbook indicates the debt should be assessed to the school, contact your RPO of jurisdiction directly to ask them to establish the debt
