

Creating An Inclusive And Supportive Online Learning Environment

Learn how to create an optimal online learning environment that propels student engagement, embraces diversity, and empowers students to persist in meeting academic challenges. ACUE's **Creating an Inclusive and Supportive Online Learning Environment** course provides instructors with evidence-based teaching practices that help them ensure that learning is accessible for all, create a sense of belonging in their online course, and provide useful feedback. Completing this course is one step toward becoming certified in ACUE's research-backed Effective Teaching Practice Framework. This course contains 7 modules that take approximately 8 weeks to complete.

Modules

- Welcoming Students to Online Learning
- Promoting Civil Online Learning Environments
- Ensuring Equitable Access to Online Learning
- Helping Students Persist in Online Learning
- Embracing Diversity in Online Learning
- Checking for Student Understanding in Online Learning
- Providing Useful Feedback for Online Learning

Engaging Learning Design

- Fully online learning experience
- High-quality, video-rich course environment
- Includes guides to support implementation of practices
- Self-paced or collaborative cohort course options
- Opportunities to implement and reflect on teaching practices
