# Creating An Inclusive And Supportive Online Learning Environment

Learn how to create an optimal online learning environment that propels student engagement, embraces diversity, and empowers students to persist in meeting academic challenges. ACUE's **Creating an Inclusive and Supportive Online Learning Environment** course provides instructors with evidence-based teaching practices that help them ensure that learning is accessible for all, create a sense of belonging in their online course, and provide useful feedback. Completing this course is one step toward becoming certified in ACUE's Effective Teaching Practice Framework, endorsed by the American Council on Education (ACE). This course contains 7 modules that take approximately 8 weeks to complete.
