

# Inspiring Inquiry And Lifelong Learning In Your Online Course

Motivate students, deepen their understanding, and help them take greater ownership of their learning using visualization tools in ACUE's **Inspiring Inquiry and Lifelong Learning in Your Online Course**. This course hones instructors' ability to provide clear directions and explanations for complex topics and assignments and develop self-directed learners in the online learning environment. Completing this course is one step toward becoming certified in ACUE's Effective Teaching Practice Framework, endorsed by the American Council on Education (ACE). This course contains 6 modules that take approximately 8 weeks to complete.

## Modules

- Motivating Students Online
- Providing Clear Directions and Explanations in Online Courses
- Integrating Visualization Tools in Online Courses
- Using Data and Feedback to Improve Online Teaching
- Using Advanced Questioning in Online Courses
- Developing Self-Directed Online Learners

## Engaging Learning Design

- Fully online, asynchronous learning experience
- High-quality, video-rich build
- Includes resources and implementation guides
- Collaborative cohort structure
- Facilitated and supported
- Evaluated by ACUE national readers
