

Promoting Active Learning

Discover active learning techniques to engage students. ACUE's **Promoting Active Learning** course provides instructors with evidence-based teaching practices to facilitate group work and actively involve students in quality discussions during lectures and class sessions. Completing this course is one step toward becoming certified in ACUE's research-backed Effective Teaching Practice Framework. This course contains 6 modules that take approximately 8 weeks to complete.

Modules

Developing Effective Class Sessions and Lectures

Teaching Powerful Note-Taking Skills

Using Groups to Ensure Active Learning

Using the Active Learning Cycle

Planning Effective Class Discussions

Facilitating Engaging Class Discussions

Engaging Learning Design

- Fully online learning experience
- High-quality, video-rich course environment
- Includes guides to support implementation of practices
- Self-paced or collaborative cohort course options
- Opportunities to implement and reflect on teaching practices
