

Council for Academic Technology and Innovative Education (CATIE)

To help support the accessibility initiatives across the Texas A&M University System, the CATIE work group on UDL & Accessibility is providing training sessions on accessibility tools & principles of Universal Design for Learning (UDL) principles for all system members. These trainings are free and led by UDL and accessibility experts within the TAMU System. These trainings will be offered the third Friday of each month from 11am-12pm via Zoom. For the FA26 semester, the following training sessions are scheduled:

All sessions can be accessed with the same Zoom link:
