

Council for Academic Technology and Innovative Education (CATIE)

To help support the accessibility initiatives across the Texas A&M University System, the CATIE work group on Accessibility & UDL is providing training sessions on accessibility tools for all system members. These trainings are free and led by digital instructional material accessibility experts within the TAMU System. These trainings will be offered the third Friday of each month from 11am-12pm via Zoom. For the SP26 semester, the following training sessions are scheduled:

All sessions can be accessed with the same Zoom link:
