Your Explanation of Benefits (EOB) lets you know when and how we process your claims. It isn’t a bill. It gives you a detailed look at the covered services and shows how much you may owe your provider after we apply your benefits.

**Understanding Your Explanation of Benefits**

**DEAR JOHN SMITH,**

An Explanation of Benefits (EOB) is a statement showing how claims were processed. This is not a bill. Your provider(s) may bill you directly for any amount you may owe. KEEP FOR YOUR RECORDS.

**GLOSSARY OF TERMS**

- **Amount Billed:** The amount your provider billed for the service(s) rendered.
- **Amount Covered (Allowed):** Discounts, reductions, and amount covered (allowed) reflect the terms of your plan, and in the case of an in-network provider, the savings we have negotiated with your provider. Your deductible, coinsurance and copay are based on the allowed amount and the terms of your plan. Your share of coinsurance is a percentage of the allowed amount after the deductible is met.
- **Coinsurance:** The percentage of the allowed amount you pay as your share of the bill. For example, if your plan pays 80% of the allowed amount, 20% would be your coinsurance.
- **Copay Amount (Also known as Copayment):** The set fee you pay each time you receive a certain service. Some plans do not have copayments.
- **Deductible:** The amount, if any, you must pay before we start paying contract benefits. You do not send this amount to us. We subtract this amount from covered expenses on claims you and health care professionals send us. Some services can be covered before the deductible is met.
- **Non-Participating Provider:** An out-of-network provider who does not accept rates for services we set to keep your costs down.
- **Out-of-Pocket Limit (Maximum):** Once you pay this amount in deductibles, copayments and coinsurance for covered services, we pay 100% of the allowed amount for covered services for the rest of the benefit period.
- **Participating Provider:** An in-network or out-of-network provider who accepts agreed-upon rates for services.
- **Your Total Costs:** This is the sum of your copay, deductible and coinsurance. It also includes any amounts not covered by your health plan. Amounts that a non-participating provider may bill you are not part of this.
We reviewed the claim for this patient based on the additional information received regarding other group health care coverage involvement. Blue Cross and Blue Shield of Texas (BCBSTX) has negotiated discounts with this provider. The following shows how this claim was adjusted.
