

Your Smile, Your Choice

Delta Dental PPOSM & DeltaCare[®] USA

Your company lets you choose between two dental plans from Delta Dental. Either way, you'll get reliable dentist networks and affordable preventive care. Your options are:

Delta Dental PPO¹

This preferred provider plan offers the convenience and flexibility of visiting any licensed dentist, anywhere. Covered services are paid based on a percentage — if, for example, fillings are covered at 80%, you pay the remaining 20%. Get the most plan value by choosing a Delta Dental PPO dentist. PPO network dentists complete claim forms for you and can help advise you on questions regarding your share of the payment.

DeltaCare USA

Under this HMO-type plan, you'll have your choice of skilled primary care dentists from the DeltaCare USA network. Select a primary care dentist, who will then coordinate any needed referrals to a specialist.² Covered services provided by your DeltaCare USA dentist have preset copayments (dollar amounts), which are listed in your plan booklet. There are no maximums or deductibles.³
