GeoBlue’s 24/7 assistance center is here to support members experiencing medical emergencies. GeoBlue coordinates emergency services with a worldwide network of Physician Advisors. Members in need of life-saving medical intervention are treated at the nearest appropriate medical facility.

What should I do in the event of a medical emergency?

⚠️ Go immediately to the nearest physician or hospital and then contact us.

- Call collect: +1-833-511-4763

The GeoBlue Global Health & Safety Team will contact your treating physician and closely monitor your case to determine if a medical evacuation is necessary.

GeoBlue Global Health & Safety contact details can be found on the back of your ID card.

When you call Global Health and Safety, please be prepared to provide the following information:

- The insured person’s name
- The ID number located on the front of your ID card
- The name of the program
- Detailed information regarding the nature of the emergency
- If applicable, the name and contact details for the treating physician and/or hospital
- The insured person’s specific location in the country. Utilize a GPS if available.
