

Blue Access for MembersSM is getting a new look.

March 2022

Your health at your fingertips

Get information about the cost of procedures, find a doctor or request an ID card. You can do it all – simply and securely – on Blue Access for Members (BAMSM).

With BAM, you can:

- Find in-network care at a location near you.
- View your digital member ID card, or order new or replacement ID cards.
- Review your benefits and dependent coverage. Covered dependents age 18 and over can have their own BAM accounts.

If you have already registered for a BAM account, you don't need to do a thing. The update will apply to your existing account.

Sign up today

1. Go to bcbstx.com/tamus.
2. Click **Log In**.
3. Click **Register now**.
4. Use the information on your member ID card to complete the registration process.

Navigation has never been easier
