What is Hinge Health?

How does the program work?
Hinge Health provides personalized care plans to help people accomplish their health goals related to musculoskeletal (back, muscle, and joint) health.

How does Hinge Health help?
They assess your condition and match you to a care team to help personalize your treatment to you.

Who is in my care team?
Depending on your treatment plan, your care team could include a physical therapist and a health coach. You will keep the same care team throughout your experience.

What could be included in my treatment plan?
1. Access to the Hinge Health app with guided exercise therapy
2. Virtual visits with members of your care team
3. Kit with wearable sensors to assist in guiding exercise therapy

How much does the program cost?
It’s free for eligible participants. This includes access to your care team, the Hinge Health app, and any materials that we send to assist in your care.

Who is eligible?
Available to all members and their dependents 18+ enrolled in the A&M Care, 65 Plus and J plans. Graduate student employees enrolled in the Grad Plan are not eligible for this program.

How do I apply?
Take a short online questionnaire following the link below, telling us about your pain. No referral or diagnosis needed from a doctor.

Exercise therapy made easy
Follow along in the app for simple, 10-minute exercise therapy sessions.

Treatment from your care team
Get help overcoming pain, recovering from an injury, preparing for surgery, and more!
