**MEMORANDUM**

**TO:** Chief Financial Officers  
Academic Institutions and Service Agencies

**FROM:** Monica Poehl, Associate Director, Accounting *Monica Poehl*

**SUBJECT:** FY2024 Budgeting for Fringe Benefits on Sponsored Agreements

For fiscal year 2024, please use the fringe benefit rates listed below when calculating fringe benefits for sponsored agreement budgeting purposes. This will not impact reimbursements from sponsored agreements, as fringe benefits will continue to be reimbursed at the actual dollar amount expensed, rather than the budgeted amount.

Beginning July 2000, the State is not required to pay Social Security and Medicare for students who meet certain criteria. For the purposes of fringe benefit budgeting, students that meet the criteria will be called FICA Exempt Students. For students who do not meet the criteria, choose the employee category that applies to them.

**Fiscal Year 2024 Fringe Benefits for Budget Purposes**

Employees Eligible for all Fringe Benefits	19.7 % of direct salaries & wages PLUS A fixed monthly dollar amount for group insurance
Employees Not Eligible for Group Insurance & Retirement	10.7% of direct salaries & wages
FICA Exempt Students Eligible for Group Insurance But Not Eligible for Retirement	3.0% of direct salaries & wages PLUS A fixed monthly dollar amount for group insurance
FICA Exempt Students Not Eligible for Group Insurance & Retirement	3.0% of direct salaries & wages

However, several System Members have chosen to supplement the remaining half of the contribution or the remaining health premium amounts, whichever is less, if one of the following requirements is met.
