Rule

1. GENERAL

1.1 Every System Offices employee responsible for conducting business with outside vendors has the responsibility of making a good faith effort of ensuring that HUBs are afforded an equitable opportunity to compete for all System Offices procurement and contracting activities.

1.2 System Offices, its contractors and subcontractors do not discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, political belief or affiliation in the award of contracts.

1.3 System Offices promotes and encourages the utilization of HUBs in all awards (contracts and subcontracts), regardless of funding source, when it is determined that a reasonable opportunity exists.

2 RESPONSIBILITY AND AUTHORITY
2.1 The executive director of procurement and business services is designated by the chancellor as the authority responsible for implementing System Offices programs and initiatives to ensure compliance with applicable HUB statutes and system policies.

2.2 System Offices complies with System Policy 25.06, Participation by Historically Underutilized Business, System Regulation 25.06.01, Historically Underutilized Business Program, and all applicable laws, regulations and executive orders related to HUBs.

2.3 All System Offices employees who may have purchasing responsibilities and delegation are required to complete a training course every two years regarding HUB purchasing requirements.

3. MARKETING AND OUTREACH PROGRAMS

3.1 Bid opportunities are available through the online bidding application (AggieBid) and the Electronic State Business Daily websites (as applicable). These sites provide information on current and past bid opportunities.

The System HUB Program website serves as a resource for information about opportunities, events, forms, and other information related to the HUB Program.

3.2 System Offices participates, plans, and assists in economic opportunity forums and fairs including, but not limited to, those sponsored by legislators, the Comptroller of Public Accounts Statewide Procurement Division, other members, other state agencies and institutions, and private business entities and organizations deemed beneficial to the system HUB Program.

3.3 Opportunities are made available for HUB vendors to present and/or deliver their business capabilities to the System Office of Procurement Services and HUB Program staff and system community, whenever possible.

3.4 System Offices participates in the State of Texas HUB Mentor/Protégé Program in accordance with Texas Government Code Section 2161.065.

3.5 System Offices seeks potential HUB vendors, who may qualify but are not currently certified as a HUB, and assist as needed in the certification process.

4. REPORTING

The HUB Program director is responsible for ensuring all reporting as required by statute and system policies and regulations is completed accurately and in a timely manner.
