Course Announcement – 09/26/2023

Howdy!

I am pleased to inform you the System-required course, Information Security Awareness (no. 3001), has been updated in TrainTraq.

Updates to this version include the addition of remote work security information and a new look and feel.

The course content updates were provided by Technology Services at Texas A&M University.

All applicable assignment rules are still in effect and all course reports remain the same. Please let me know if you have any questions regarding the changes made to this course.

Sincerely,
Aimee
