

## Course Update: Ethics & Fraud, as well as Ethics & Fraud Spanish Version

Dear A&M System Training Coordinators,

I am pleased to inform you that the Ethics and Fraud course (no. 2114400) has been updated with corrections to broken links and is available in TrainTraq. All applicable assignment rules are still in effect and all course reports remain the same.

Additionally, the Spanish version of the course, Ética y Fraude (2114441), has also been updated with corrections to broken links and is available in TrainTraq. This course isn't assigned, but it's an option available to all A&M System employees. Completing the Spanish version will automatically complete an open assignment of the English version.

Please let me know if you have any questions regarding the changes made to either of these courses.

Sincerely,
