Dear A&M System Training Coordinators:

I'm pleased to announce that the *Orientation to the A&M System* course is now available in Spanish. To access the Spanish version, select the Orientation course from the System-Required Training catalog in TrainTraq. If you are prompted to "Start Over" or "Continue Where I Left Off," click the "Start Over" button, which will take you to the Menu page for the course. At the top of the page will be a large button labeled "Haga cliq aquí para tomar el curso en español." Click this button to access the Spanish version of the course.

Please let Kris Wuensche ([wuensche@tamu.edu](mailto:wuensche@tamu.edu)) or me know if you need more information about this new feature.

Thanks,

Pat
