## THE TEXAS A&M UNIVERSITY SYSTEM External Investment Managers/Advisor

Investment managers have full investment discretion provided the investment decisions are in compliance with the System Investment Policy and in accordance with the managers' investment strategy. The investment advisor serves in an advisory capacity only. Investment managers are not compensated through soft dollar arrangements. Fees are paid to the managers as provided in negotiated fee schedules.

The A&M System has contracted with Cowen, Inc. to provide commission recapture services. Participating managers are requested to allocate a minimum of 25% of all listed and NASDAQ securities transactions in the accounts to Cowen. All securities transactions in the A&M System accounts should be made consistent with the managers' obligation to seek best execution. Commission recapture proceeds are used to offset fees of the System Endowment Fund.
